L.I.E.A.P.
offers energy assistance

Oregon's Low Income Energy Assistance Program (L.I.E.A.P.) is offering energy assistance to help pay fuel bills of those who qualify. The program helps low income, handicapped and elderly persons. Eligible clients receive assistance for electric, natural gas, propane, oil or wood heating.

L.I.E.A.P. is coordinated by the Blue Mountain Economic Development Council throughout Morrow, Umatilla, Grant, Gilliam and Wheeler counties. In addition, B.M.E.D.C. operates a weatherization program which provides free services to eligible clients.

Appointments to apply for energy assistance are necessary. To make an appointment at the Heppner Neighborhood Center, call 676-5873.

What's Your Opinion?

Question: "How do you feel about the five cent gas tax that was just approved by the Legislature Dec. 6?"

"At least they're honest enough to call it a tax and not a 'user's fee,'" said John Maas, Heppner.

MARKET TREND: As was the case with markets all over the northwest, our steer market was down although heifers were selling stronger than reported elsewhere. Even though the market was slow, we had lots of buyers and an active market. Even with the increased number of cattle—with the sale lasting until 11:00—the prices were just as strong at the end of the sale as at the start of the sale. Thanks to both buyers and consignors for supporting us throughout the sale.

NEXT SALE: Thursday, December 9th—with approximately 500 head pre-consignments including a few more yearlings than have been coming to town.

Thank you, John B. Kirby
