P.I.K. program details given

Secretary of Agriculture John R. Block recently announced details of a payment-in-kind (PIK) program for 1983 crops of wheat, corn, grain sorghum, cotton and rice. President Reagan announced the program at the Farm Bureau Federation January 11.

"P.I.K. is basically simple," Block said. "A farmer who takes out of production additional acres over what he agrees to take out under the current program will receive as payment a certain amount of the commodity he would have grown on these acres. The commodity is his to do with as he wishes. Commodities for the P.I.K. program will come from farmer-owned reserve, regular loan or C.C.C.-owned stocks."

Sign-up for P.I.K. will begin on January 24 and run through March 11. "Farmers have four possible options for making their 1983 plans," Block said. "They may participate only in the regular farm programs; participate in the regular program plus the 10-30 percent P.I.K.; withdraw the entire base acreage if their whole base bid is accepted; or not participate at all."

Morrow Co. native named Citizen of the Year

A Morrow County native, William "Bill" Kilkenny, was named Pendleton's Citizen of the Year at the Chamber of Commerce's annual awards banquet there last Saturday night. Kilkenny's parents were John Sheridan and Rose Ann Kilkenny, Irish-born Morrow pioneer sheep ranchers.

Kilkenny is well known in the Heppner area, where he had his public schooling and where he has many kin still living. Last St. Patrick's Day,

Payment in kind will be in terms of No. One wheat, No. Two yellow corn, No. Two grain sorghum, historical area average quality upland cotton, and for rice, the historical area average of the type, quality and milling returns.

Farmers will be able to get full details on the P.I.K. program from their local Agricultural Stabilization and Conservation Service office by the time the P.I.K. sign-up begins on January 24. Meanwhile, farmers can call a toll-free number, 800-368-5942, to get answers to their questions. This number is now open for calls weekdays from 8 a.m. to 8 p.m., E.S.T.

Interim regulations will be published in the Federal Register with a request for comments. Producers entering into an agreement during the comment period will be given the opportunity to withdraw from the agreement should there be material changes in the final regulations. Comments must be received by February 11 and should be sent to: Dr. Howard Williams, director, analysis division,

he was featured on Jim Farley's Irish program, and it is hoped he will be appearing again next March 17.

Pendleton's Chamber President, Jim Lynch, called Kilkenny, 77, "a man about whom it can be said by so many 'Because of him, my life is better. He cared enough to help'" ("East Oregonian," Jan. 17).

Tessie Williams, the first Indian ever so honored, was named Pendleton's first lady of the year.

What's Your Opinion?

Question: "How do you feel about Heppner's Willow Creek Dam not reducing the flood plain as much as was expected?"

"It's kind of funny," said Bonnie Parret of Heppner, "but I think it was a waste of money."
