

Scholarship foundation applications

Junior and senior class high school students who are interested in applying for \$1,000 college scholarships should request applications by March 15 from the Educational Communications Scholarship Foundation, 721 N. To receive an application, students should send a self-addressed, stamped envelope with a note stating their name, address, city, state and zip code and approximate grade point average. Fifty award winners will be selected on the basis of academic performance, involvement in extra-curricular activities and need for financial aid, he said.

At Thanksgiving time Betty Lieuallen expressed a wish to have a celebration of life and not a somber funeral at the time of her death. She celebrated life for 81 years and touched many people by her giving nature, by her strength and by her love.

Many, many thanks to all for the cards, flowers and notes about what she meant to you.

Her family would like to thank the friends who provided the food for dinner after the services which enabled us, and her sisters and brothers and their families and friends to have the time and place to remember her with more laughter than tears. You helped us fulfill her wish. She would have loved it.
