

Local Elks Scholarship Winners announced

Two Ione High School seniors and four seniors from Heppner High School were awarded Elks Scholarships last Wednesday, announced Jim Swanson, scholarship committee chairman.

First place winners are Anne Murray of Heppner High School and Dennis "Denny" Starr of Ione. Both received \$600 awards.

Murray, the daughter of Mr. and Mrs. Rod Murray of Ione, plans to attend either Oregon State University or Pacific University to major in sports medicine or physical therapy.

Starr, the son of Mr. and Mrs. Charles Starr of Ione, plans to attend Eastern Oregon State College to receive a teaching certificate in biology.

Second place winners, Sherry Clement, HHS, and Craig Gutierrez, IHS, both received \$350 awards.

Clement, the daughter of Bruce Clement of Heppner, wants to attend Blue Mountain Community College and major in accounting.

Gutierrez is considering attending Oregon State University and is interested in engineering or computer science. He is the son of George Gutierrez of Ione and Helen Drake of The Dalles.

Winners of the third place awards are Denise Kennedy and Wes Marlatt, both of Heppner High School. They

Wes Marlatt

won \$150 scholarship awards.

Kennedy, the daughter of Mr. and Mrs. Larry Kennedy of Heppner, plans to major in secretarial science at Central Oregon Community College.

The son of Mr. and Mrs. Wesley Marlatt Sr. of Heppner, Wes Jr. wants to major in biochemistry at Brigham Young University.

Students were chosen on the basis of their leadership abilities, a personal interview, a completed application brochure, letters of recommendation and grades, Swanson said.

The district scholarship competition was held in Heppner last Sunday. The district

contest is held at Heppner once every 11 years. Two first place winners from each of the 11 lodges in the district competed.

Helen Daltoso of Riverside High School at Boardman and a senior boy from La Grande emerged as the district's winners, Swanson reported.

CowBelle Publicity Chairman

In our last article, we talked about "Beef on the hoof." We discovered that staggering amounts of by-products and beef are utilized in many ways. I would like to continue discussing the other good things we get from cattle.

The edible by-products of beef are the most important and they are what the trade calls Variety Meats. The nutritive value of liver, heart, kidneys, brains, tripe, sweetbreads and tongue has long been acknowledged. Many gourmets esteem them as delicacies.

Other important edible by-products are less well known. Fats yield oleo stock and oleo oil for margarine and baker's shortening. Oleo stearine is also used in the making of chewing gum and certain candies.

Gelatin from bones, horns and skins is used in the making of marshmallows, ice cream, canned meats and of course, gelatin desserts.

Intestines are still in demand for "natural" sausage casings as well as for surgical sutures.

Juvenile Services Commission holds budget meeting

The Morrow County Juvenile Services Commission held a budget meeting at the school administration building in Lexington on February 7, reported Pam Minster of the commission.

Bill Sierbon announced that the commission could expect to receive \$20,000 from the State Juvenile Services Commission for the 1983-84 fiscal year. This is the same as the commission's current budget. In addition the commission expects to receive \$2,450 from local organizations to be used for the north end recreation program and the program for victims of sexual abuse.

The commission members were in agreement that the Tutor Assistants Program would require an increased

budget for the coming fiscal year, as it will run out of funds before the end of the current fiscal year. In this program, selected students are hired to tutor younger students on a one-to-one basis. All commission members present felt that this is an especially worthwhile program and should receive enough funding to insure its continuance for the entire 1983-84 school year, Minster reported.

Administrative expenses will also be increased for next year due to the need for the commission to hire an administrative assistant in order to make these changes, it was necessary to decrease the budgets for the north end recreation program, program for victims of sexual abuse

and Responsible Adulthood Workshops programs, Minster said.

Funding for the Latchkey Program will remain the same as for the current year, she said.

The commission will be announcing the date for a public hearing where the public will be welcome to express their views and opinions about the budget.

The next Juvenile Services Commission meeting will be held on March 7 at 7 p.m. at the Town Square building in Boardman.

HHS announces students named to honor roll

The following Heppner High School students have been named on the honor roll for the second quarter. They have maintained at least a 3.33 grade point average.

Freshmen: Shelly Biddle, Dvann Brosnan, Penny Connor, Jack Estberg, Loran Hayes+, Keith Kenison+, Alex Lindsay+, Bill Malm, Chris McLaughlin+, Trina Palmer+, Dana Reid, Lana Reid, Noella Rill, Stan Sporsen and Missy Turner.

Beef Council, CowBelles to hold beef cook-off

The Oregon Beef Council and the Oregon CowBelles will sponsor a beef cook-off this year.

The contest will feature entries in Mexican, Chinese, Italian, Vietnamese or any

other nationality recipe.

Five finalists will be selected to participate in the state beef cook-off April 30 in Portland.

Deadline for entries is March 18.

Rules for the contest follow:

— All beef cuts must come from the chuck, round, rump, fresh brisket, ground beef, plate or shank.

— From 1-5 pounds of meat must be used in the recipe.

Meat must be exclusively beef. No commercial tenderizers are allowed.

— Cooking time may not exceed four hours, except for marinating time.

— All entries will be judged on taste, 40 points; appearance, 20 points; originality, 20 points; and ease of preparation, 20 points. All entries become the property of the Oregon Beef Council.

— Contestants must be at least 18 years old. Cattlemen, CowBelles, their immediate families, professionals in the food business, and anyone who has owned cattle in the 12 months preceding Oct. 1, 1983, are not eligible.

— Contestants must live in Oregon.

First prize in the Cook-Off is a quarter of beef and an expense-paid trip to the National Beef Cook-Off as Oregon's contestant.

Second prize is \$50 worth of choice steaks. Three runners-up each receive a gift pack of steaks.

To enter, type or print your favorite ethnic beef recipe on a sheet of paper, listing all ingredients and recipe directions. Add your name and address and send to: Oregon Beef Cook-Off, Red Lion-Lloyd Center, 1000 N.E. Multnomah, Portland, 97232.

Entries must be postmarked no later than March 18.

Entry blanks may be obtained at the Bank of Eastern Oregon in Ione and Heppner, from First Interstate Bank and Western Heritage Federal Savings and Loan Association in Heppner and from Del's Market in Lexington.

School district to hold board meeting Feb. 21

The Morrow County School District will hold a regular board meeting on February 21 at the school district office in Lexington.

Prior to the regular meeting, the board will hold a public hearing on the proposed 1983-84 school budget which is to be voted on in a March 29 election.

The budget hearing is scheduled to begin at 7:30 p.m. The regular meeting will begin immediately following the budget meeting, said a board spokesperson.

Several items of business are on the agenda for discussion, including next year's school calendar, bidding on school buses, applying for an energy grant, bidding on health insurance and renewal of contracts for certificated personnel, the spokesperson said.

School district positions to be voted on in March

Several school district positions will be on the ballot for a regular school board election on March 29.

Two school board positions are among those to be voted upon: position number IV, which represents the Lexington-Pine City area and is currently held by Irvin Rauch; and position number III, which is the Ione-Cecil area, currently held by Jerry McElligott.

Rauch has indicated he will not be a candidate. McElligott is undecided about his can-

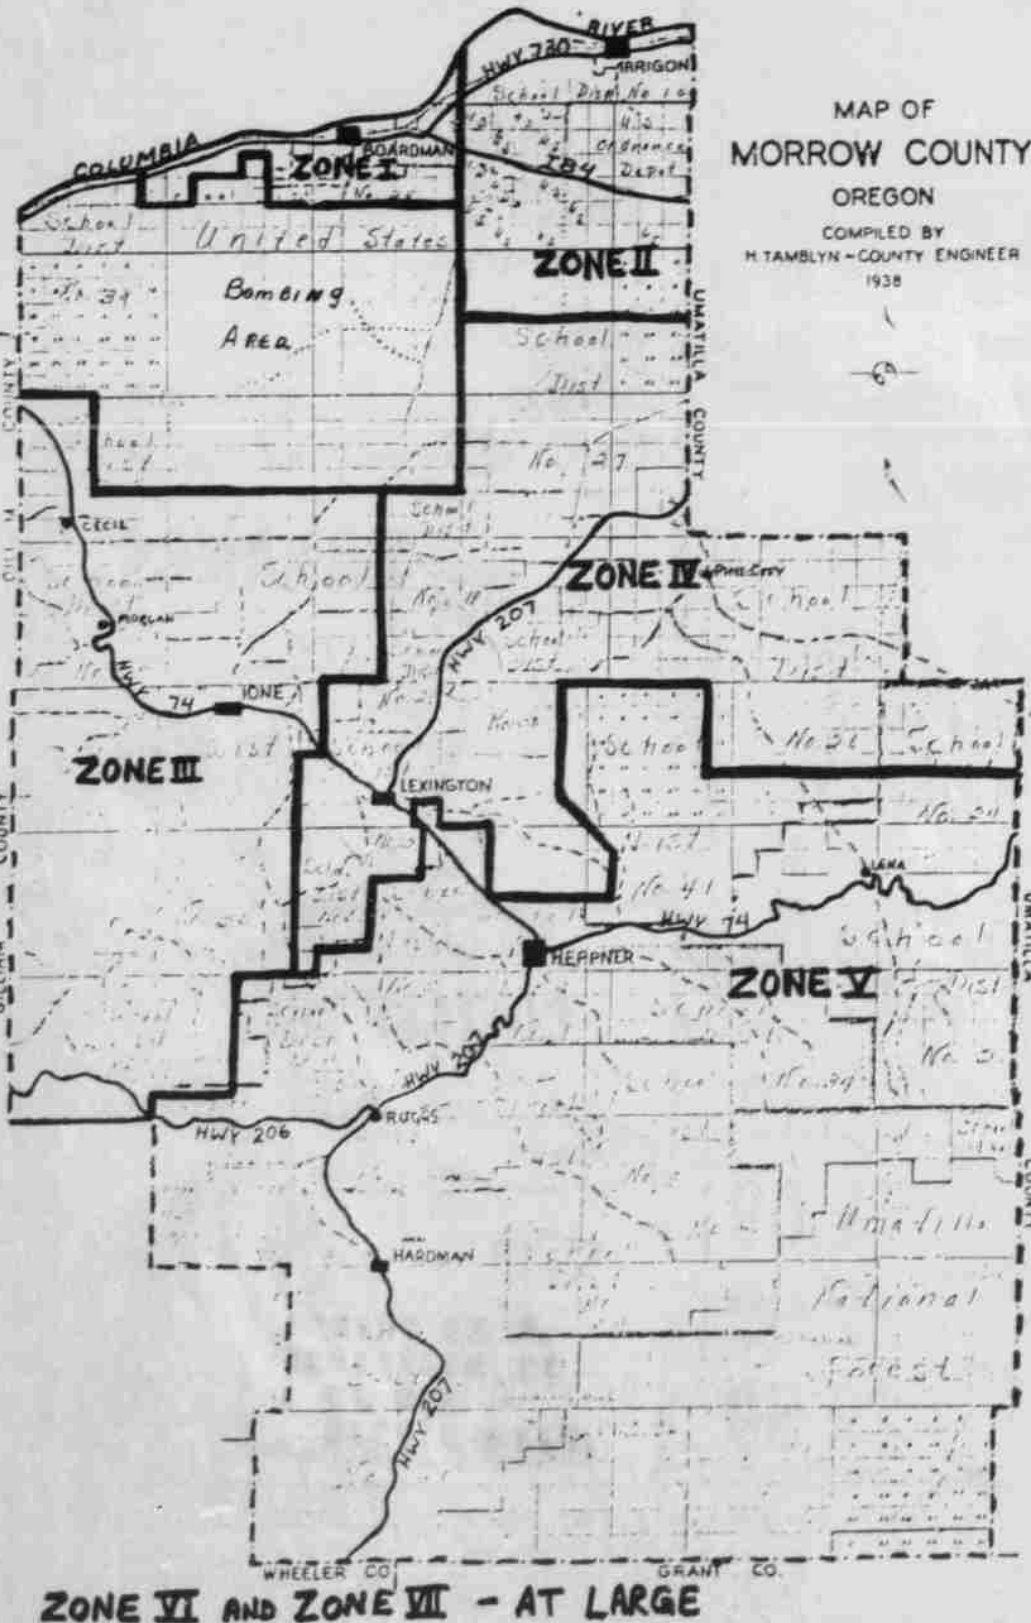

didacy at this time, said a district spokesperson.

Candidates for these positions must file by February 23 in order to be eligible. Petitions for candidacy may be obtained from the Morrow County School District office in Lexington or from the Ione schools office in Ione.

Morrow County School District policy requires that eligible candidates must be a resident of the zone they will represent. The election of school board members is a district wide election.

Several advisory committee positions which are voted on locally are also open. Those positions are: positions three and five on the Heppner-Lexington advisory committee; positions two and five on the Boardman-Irrigon advisory committee; and positions one and five on the Ione-Lexington advisory committee.

Petitions for each of these positions are available from local school offices or from the district office in Lexington, the spokesperson said.
