There were 41 buyers and 45 consignors represented at Thursday's market.

MARKET TREND: While not enough light cattle were offered to get an accurate market test on steers, there were enough heifers consigned to indicate that they were holding steady. Cows and bulls were strong with more demand for fat cows shown.

NEXT SALE: Thursday, March 17th with over 600 head of feeder cattle consigned. The following week, March 24th, has 200 head of bred cows from local producers consigned along with 3 - 2 year old Registered Hereford Bulls, 8 yearling Registered Black Angus Bulls, and 2 - 2 year old Registered Black Angus Semen tested breeder bulls. Put the marketing services La Grande Livestock offers to work for you by consigning your cattle to their market.
