

Lexington news

Delpha Jones 989-8189

Mr. and Mrs. Charles Buchanan are the proud possessors of this month's "Garden of the month" plaque given by the newly organized Lexington Garden Club. This plaque will be presented to some lucky gardener each month.

The fun afternoon sponsored by the Lexington Grange was well attended. Dinner was served at 1:30 p.m. after which games were enjoyed. In pinocle, men's high went to Ken Palmer; men's low to Glover Peck; Women's high, Irene Crabtree; women's low, Frances Smouse; pinocle to Frances Smouse and Irene Crabtree. Others receiving prizes were Cecil Jones, Ella Rowell, Celia Peck, Delpha Jones and Joyce Buchanan. The money made from this affair will go to the state grange to help finance the national grange in Eugene in 1985.

Grangers were deeply grieved to hear of the death of Woodie Cable of Richland, Ore. Her husband, Bob Cable, was for several years Eastern Oregon state grange deputy and she assisted him in the installation of our local, subordinate and Pomona officers. Services were held Saturday in Richland.

Cheryn Smouse visited her parents, Mr. and Mrs. Ken Smouse last week.

C.W.A. met at the home of Joyce Buchanan last Thursday. Plans were made for the Sunday "fun day," and the quarterly report was discussed. The group has quite a number of eye glasses and is getting ready to turn them in before state session. These are used to provide glasses for those in foreign countries. If you have some of these, any grange will be happy to receive them.

Pomona will meet at Clarno Grange Hall April 30 at 10 a.m. Lexington Grange will meet April 18.

Lovely refreshments were served.

Irene Padberg is a patient in Pioneer Memorial Hospital.

Delpha Jones joined Emma Eckles and grandchildren Juanita and Lowell Streeter of Pendleton and Joyce Wajak and daughter Tanya of Los Angeles, Calif. for lunch in Heppner on Wednesday. They were here to visit Mrs. Wajak's grandmother, Emma Peck, at Pioneer Memorial Nursing Home.

Ralph Burcham has returned home after a stay in Pioneer Memorial Hospital.

Mr. and Mrs. Bob Taylor visited relatives in Hood River over the weekend.

Mr. and Mrs. Ron Peck and children were Lexington callers Sunday from Moro.

Holly Rebekah Lodge met on Thursday evening for the regular meeting.

The lodge voted to assist the "Garden Bugs" club in cleaning week landscaping around the I.O.O.F. Hall in Lexington.

The memorial fund was discussed and it is hoped to be able to purchase another folding table and perhaps some chairs. One of the lodge's large folding tables is missing and it is needed badly. If anyone knows the whereabouts of this table, please contact the Noble Grande.

A couple of officers were

chosen to tell of their duties and what they mean to them and to the lodge.

The next meeting will be a potluck dinner for Rebekahs and their husbands, Oddfellows and their wives. Refreshments were served.

The Lexington Garden Bugs Club met at the home of Lois Allen on Thursday.

A fine report on raising and grafting roses and how to start by Cane Cuttings was given by Faye Green. The group organized the "Welcome Wagon Committee" to serve during the next three months. This committee includes Marie Steagall, Faye Green and Lois Allen.

Refreshments were served.

Any member who brings a prospective member to the next garden club meeting will receive a gift, as will the new member. The gifts will be courtesy of club chairman Kathy Tellechea.

Kenneth Howard had the misfortune to cut his finger and was taken to Pioneer Memorial Hospital for treatment.

Ione school announces honor roll

Local couple lucky winners of Appaloosa quarter horse

By JUSTINE WEATHERFORD

Lucky ticket holders Ron and Summer Cecil gained ownership of a five-year-old Appaloosa quarter horse which was given away last Sunday by Heppner's Hope Lutheran Church. The Cecil family lives down Lexington way, near Dr. and Mrs. Huber, and two of its most excited

members are probably teen-age daughter Laurie and her younger brother, Larry.

The horse had been given to the church by Mike and Sally Ingraham, Sand Hollow. Linda Shaw of Heppner, who was in charge of the ticket-selling project, stated that the church was pleased with the campaign "It accomplished our purpose."
