Has the warm weather encouraged thoughts of summer fun and events? All 4-H members in fourth through seventh grades should be thinking of 4-H Camp.

June 27-30 are dates this year for the annual event at Cutsforth Park. Plans are nearly completed and registration forms have been mailed.

Three counties will again combine forces to offer 4-H'ers more varied programs as well as expanded opportunities to make new friends.

The 4-H Council has provided leadership for a number of improvements at camp, including repair and water-proofing of all tents.

Counselors attended training and are anxiously awaiting the chance to work with the younger members.

Staff at the camp in addition to three county extension 4-H staff members will be Todd Harrison and Angie Evans, college students working as junior directors; Francine

Evans, cook; Jan Evans, craft chairman; and Eunice McEligott, nurse. Counselors from the three counties will each supervise five 4-H members in a "tent" family. A number of 4-H parents and leaders will serve as class instructors and camp helpers, as well as

resource persons from various agencies and businesses.

Camp fee this year remains at \$20 per camper.

All Morrow County 4-H'ers must have registration forms to Extension office, Box 397, Heppner, by June 6.
