MARKET TREND: We had an active market with a good run of feeder cattle offered. Prices were steady to strong. Cows were \$1.00 - \$2.00 stronger with a few young cows bringing up to 49.25. Horses were also several dollars stronger, however, this may not indicate a market trend, but rather competition between buyers for this particular sale.

NEXT SALE: Thursday, August 4th, which will have a good run of dry cows. Sales will now be held every Thursday. August 11's sale will feature a good run on weaned calves, with over 500 head already consigned. These are green calves, mostly cross breeds of choice quality.

Thank you,
 John B. Kirby
