

Mustangs take victory from Tiger Scotts

By MELISSA PRIVETT

The score remained the same as the Heppner Mustangs battled the Weston-McEwen Tiger Scotts last Thursday night in Heppner, yet the score would soon change leaving the Mustangs with a 6-0 victory.

Mark Way threw a pass in the second quarter that was received by tightend Greg Orr who was awaiting the ball in the end zone. This gave the Mustangs the lead that they needed.

"They were tough (Weston-McEwen). Defensively we played well, especially after the first quarter," stated Heppner Coach Craig Kitching. "They were running all over us, but our defensive line stiffened up, and that changed." This was partly due to the mistakes made in the first quarter when assistant coach Les Paine made some personnel adjustments. "After that we played a very acceptable defensive ball game. We didn't allow first downs, yardage, rushing, or passing," Kitching commented.

"Offensively the team did pretty much what they had to do to win the game," but their coach felt that there was a breakdown in the offensive line which allowed the Weston-McEwen defense to penetrate the line. This threw Heppner off.

"They were well coached and played a hard hitting ball game," said Kitching of Weston-McEwen's players. "We expected them to come out and attack us and they did, but by the fourth quarter they were dragging. They had the

ball several times and we'd been hitting them hard. By the end of the third quarter they were ready to go back home," Kitching replied. "We take pride in our condition. We're in as good or better shape than any team we play, but we have to be."

Kitching did expect something from the team. "I expected the team to be nervous, to make a few silly mental mistakes, to play better, and by that I mean to execute their assignments, and to have a better offense."

At this time the defensive line is ahead of their offensive line, but the coach said that this is normal because it is so early in the season and the team will be working more on the offensive line this week.

"Winning this game showed them that their hard work paid off. They know that they have a lot of work ahead of them. We've got to improve every week," added Kitching.

The improvement will be needed when the Mustangs face Sherman County there at 7:30 p.m. on Friday.

Kitching said, "We scouted Sherman County last Friday. They try to run the ball and will attack us offensively and defensively. They don't do any fancy things, but they have big kids that run a lot. They beat Riverside, and they beat us, so we're in for a good ball game."

According to their coach, the team needs to concentrate on capitalizing on scoring opportunities after the ball is within the 10-yard line. "Instead of relaxing we need to go over the top and put the scores on the board," concluded Kitching.

Fillies take 2nd at Dufur tournament

By DANA REID

The Heppner varsity volleyball team traveled to a tournament at Dufur, Saturday, September 17 and placed second.

The tournament consists of four teams: the Lyle Cougars, Columbia Christian Knights, Dufur Rangers and the Heppner Fillies.

The first game was played by the Lyle Cougars and the Dufur Rangers. Dufur won the game and was ready to play the winner of the next game.

The next game was played by Columbia Christian Knights and the Heppner Fillies. Both matches were close but with excellent serves the Heppner Fillies won the first match, 15 - 12.

The second match against Columbia was another tough one. The super teamwork and great serves helped make the match and game go to the Fillies with a score of 15-5.

"The girls played really well, showing a lot of improvement. Everyone was great. Their serves were in and their spikes were in," said Heppner Coach Barbara Stefani.

The third game was played by the Cougars and the Columbia Christian Knights. Columbia Christian won the game, putting them in third and the Cougars in fourth place.

The last game for the championship was played by the Rangers and the Fillies.

The first match was a tough one but the Fillies showed the Rangers how the game was played. The Fillies had excellent team work and super serves. They hustled for every ball, but showed it was worth it. They won the first match with a score of 15 to 6.

The second match was close but not quite enough of Heppner's serves were over the net. They did keep up their excellent team work though. The match was won by the Rangers. The score was 15-8.

The third match decided the game and championship. It was won by the Rangers. The Fillies were not quite consist-

ent enough on their serves, so the game went to the Rangers. The score was Rangers 15, Fillies 10.

"The girls played well, especially the first match. The second and third matches they had trouble getting their serves over," said Coach Stefani.

Although the Rangers won the championship the Fillies really played an excellent game. The whole team really was hustling and ready for anything that came to them.
