Fillies lose close one to Weston-McEwen

By DANA REID

The Heppner varsity Fillies played the Weston-McEwen TigerScots at Heppner on October 6.

The Fillies went out onto the court ready to win. They were really fired up. Heppner's serves were hard to receive. The TigerScots also were serving very well, and hard. But the Fillies bumped them up right to the setter and the ball was spiked down hard. The Fillies had good teamwork. They were talking and moving

very well. They were on their toes all the time and ready for the ball to go anywhere. The score was close all the way through the match but the Blue Devils reached 15 points first so the match went to them with a score of 15-11.

In the second match, the Fillies were really ready to win this one to stay in the game. With their good teamwork and serves, the Fillies pulled through in a close one. The score was 15-12.

In the third match the Fillies were ready to go, they were again playing a super game. Heppner really got the crowd going. It was an exciting game to watch. There was a lot of net play and the Fillies did great. Their spikes went down hard but unfortunately the TigerScots picked them up. However, when the TigerScots spiked them down, the Fillies were right there and bumped them up to the setter and set it up for another hard spike.

The score was close through the whole game, but a few too many mistakes for the Fillies gave the TigerScots another win. The score was 15-13.

"I hated to see the girls have a league loss. We played hard but had too many mistakes at the end of the third match. We had a good lead in the third match, but we lost it," said Heppner Coach Barbara Stefani.

After meeting Stanfield there on Tuesday, the Fillies next game will be against Umavilla at home on Thursday, Oct. 13, at 5 p.m.

I.T.T. graduates former Heppner man

Keven Dick of Portland was among 102 graduates of I.T.T. Technical Institute in Portland who took part in commencement exercises at the Holiday Inn in Portland on September 30. Dick graduated with highest honors.

I.T.T. is a comprehensive "hands on" training institute of electronic technology.

He is the son of Ed and Rachel Dick of Heppner.
