The JV Fillies met the Stanfield Tigers at Heppner October 20 for an exciting game. Heppner was really fired up. They wanted to win. The players knew it was going to be a tough game because Stanfield is a good team. However, the Fillies were willing to do anything to get the ball back over the net. Heppner started the first match with an excellent serve. But Stanfield was down and ready for the return. The Fillies were really hustling. There could have been a bit more communication but even without talking the Fillies still

played well. There was quite a bit of net play and Heppner did a good job.

The Fillies had a bit of trouble, at first, getting the ball straight up to the setter but after they were warmed up a bit they had no trouble and the setter made a perfect set so the spiker spiked it down hard to the other side. Both teams played very well, but Stanfield came out on top with a score of 15-8.

In the second match, Heppner came out and had the confidence the team needed. The Fillies were playing super ball. They were ready for anything that came back. The serves were excellent and the Fillies continued scoring points with one server until the score was 10-0. The Heppner players were on their toes and moving, ready to receive the ball after Stanfield returned it. Both teams were really spiking them down hard to the opposite team, really making them work to get it back up. The Tigers started to make a comeback but Heppner stayed on top to the finish. They won a well-deserved match. The score was 15-7.

The third match was a tough one for both teams. This match decided who would win the game so it was now all a matter of who wanted to work for it the most. Heppner was serving well. There were very few balls that didn't go over the net. The Fillies really started talking and moving. This was partially due to the spectators yelling for the Heppner team. The match was very exciting and close. There was a lot of net play. The Fillies jumped up high enough to slam the ball back to the Tigers' side of the court. The Fillies were playing excellent team ball, the best they've played for awhile. The game was pretty close but with each point that Heppner gained over Stanfield, the more fired-up they were. The Fillies were really showing the spectators and the Tigers how to play the game. It was an exciting game to watch. Heppner continued gaining points and won the match, for the game. The score was 15-11.

Tina and Janice played exceptionally well, said Coach Karen Howe.

## Heppner's JV Fillies win again

By DANA REID

The Heppner varsity volleyball team played Stanfield Thursday, Oct. 20, at Heppner. After a good warm-up, Heppner came out fired up and ready to play. The Fillies knew they needed this game to make sure they were still in the district playoffs. The Fillies were really hustling. They played a very good match. Their serves were very good. The Tigers were really spiking the ball down hard, making the Fillies work, but they were ready for it to go anywhere because they knew it would. Heppner was ahead during most of the match. There was a bit of substituting for the Fillies. The people who came out from the bench were doing a great job. They kept the team fired up but Stanfield came out on top. The score was 15-9.

The Fillies came out for the second match ready to go. Heppner started the match off with a very nice serve. The Tigers returned but the Fillies lost control and couldn't return the ball so the serve went to Stanfield. It was a net serve side out. Heppner had the serve again and then the game really started. Stanfield returned the ball, but the Fillies were on their toes and received the ball, set it up, and spiked it down hard and

scored. The Fillies continued scoring until the score was about 5-0. The Tigers were making a comeback and they pulled ahead. The Fillies were really playing well. They used excellent teamwork. Heppner pulled a little too far ahead and Stanfield just couldn't catch up. Heppner played ex-

ceptionally well. The score was Stanfield 8, Heppner 15.

For the third match, the Fillies came out a little disappointed but stayed right in there. Heppner had very good serves. The home team players were really hustling and diving for any ball. The Fillies

The Arlington Honkers beat the Ione Cardinals 15-8, 15-5 in Big Sky Conference action on Thursday, Oct. 20. The loss left the Cardinal volleyball team 0-7 in the Big Sky Conference and 2-8 overall.

Ione had good defensive coverage and converted many spikes, dinks and blocks to their offense, improving a lot since their last match with the Honkers.

Jocelyn Jones, coach for Ione, replied, "We came back from a down match on Monday and played very well. We had super defensive coverage and we played well on offense. Arlington is a good experienced team and their experience won out in the end."
