third and fourth quarters." He also added that Heppner had three interceptions during the game.

Areas to be worked out by the players this week will be to maintain their blocks, to fire out low on the defensive line, and to add a few things on offense that Pilot Rock hasn't seen yet.

"Pilot Rock," whom the Mustangs will play in Heppner Friday at 7:30 p.m., "Runs the ball very well. They have a good offense and a stingy defense. They don't give up a lot of points and will probe around to find our weaknesses and take advantage of them. Hopefully they won't find any," stated Kitching.

"We must now concentrate on executing on every play, to maintain our blocks, and to play with emotion. We play better if we play with emotion. We need to keep a good attitude as we have in practice the last couple of weeks."

Kitching added, "I want to thank all the people that came out to watch the game. It is helpful to the team to see all those people support them. We would like to see that this week when we go out and win the ball game."

Statistics for the game were not available at presstime.

The game and dance that followed ended a week of Homecoming activities at the school. During halftime, Carla Miles was crowned Homecoming Queen. Other girls on the court were Sarah Forrar, Ann McLaughlin, Stephanie Payne and Pam Orr. Also, class floats were driven around the field for spectators to view. The senior class took first place in the float competition as they have for the past three years.

Heppner 'C' team takes win from Ione Cards

By DANA REID

The Heppner High School "C" team traveled to Ione Monday October 13, to play a game against the Ione Cardinals.

After a good warm-up, the Fillies went out onto the court and were ready to win. They were serving very well, better than they have in other games they've played. It was a good match for Heppner. The Fillies were just out there giving it all they had. Heppner was ahead almost all the way through the match and won it. The score was 15-12.

The Fillies went out on the floor for the second match not quite as fired up and ready as they were before. They weren't talking or moving quite enough but they stayed in the game. They never gave up. But over all, the Fillies played okay. The score was 8-15.

The third match was the best for both teams. This one decided the game and both teams wanted it so they were hustling for the ball no matter where it went. Heppner had excellent teamwork. The Heppner players were really playing together well and it paid off because Heppner won the match and the game. It was a close one, but they did it. The score was 15-12.

"The Fillies were really fired up and really wanted to win. They played good team ball. They had a couple of bump, sets, spikes," said Heppner Coach Karen Howe. Heppner was to meet Weston-McEwen at Athena on October 25. The Fillies will then meet the Condon Blue Devils at home on Tuesday, Nov. 1 at 5 p.m. for the last game of the season.

after a few points were scored they started to show it. The Fillies were playing super team work. They were receiving very well and had a lot of good bumps, sets and spikes. Both teams were playing very well. They were really making the other team hustle but Heppner pulled ahead and won the match for the game with a score of 15-9.

"We were not fired up. We felt that we could beat Pilot Rock easily. We didn't communicate nor move well, but we played well enough to win," said Coach Karen Howe.

The Heppner Mustangs faced Homecoming with a 16-0

loss Friday evening against the Enterprise Savages, the number one team in the state.

HHS senior class' winning Homecoming float

Heppner came close to scoring in the first half. Coach Kitching recalls, "We threw in the endzone once and the receiver jumped before the ball got to him. It was a really good pass, he just got too excited and the ball went over his head. I thought we had that one."

Playing good, hard, aggressive defense. Enterprise pushed the Mustangs back and prevented them from scoring. This was also caused by Heppner not offensively maintaining their blocking. "In reviewing the films, we saw people (Heppner players) block, slip off of their block, and join in the tackle. This is not good execution. Our de-

fense played a good ballgame. We gave up a lot of yardage early but stiffened up in the

Heppner Volleyball team takes win from Pilot Rock

By DANA REID

The Heppner Varsity Volleyball team traveled to Pilot Rock Tuesday, October 18, to play an excellent game with the Rockets.

After a good warm-up, Heppner was out on the floor ready to win another volleyball game. The Fillies had the first serve. It was a good serve, but a hard spike from Pilot Rock turned the ball over

to the Rockets. The Fillies were playing super team work and were really hustling. As the match continued on, the Fillies pulled ahead. Heppner took control of the match and stayed ahead until the finish. A well deserved match went to the Fillies with a final score of 15-2.

The Rockets started the second match off with a nice serve. After scoring a couple of points, Heppner got a bump, set and spike and took the

serve. The Fillies were serving very well, and when the Rockets returned the ball, the Fillies were on their toes and set it up for another spike. A few mistakes from the Fillies didn't stop them any. They shook them off and were back in the match. Heppner continued hustling throughout the match. They were ahead through most of the match. The Rockets started to make a comeback and Heppner started to make more mistakes. Pilot Rock won the match with a score of 15-11.

For the third match, Heppner went out a little upset, but after they served the ball, they had calmed down a bit. The Fillies scored the first point and continued scoring points until the Fillies were ahead 5-0. Both teams really wanted to win the game and were really working for it. There was quite a bit of net play and Heppner usually came out on top. Both teams were setting the ball up and smashing a good hard spike to the other team. The Fillies took control of the match and pulled way ahead of the Rockets, showing a score of 10-2. But the match wasn't over yet and the Fillies knew it and they stayed right in there to finish it. Heppner won the match and the game with a score of 15-4.

"It was a game we needed to win," said Heppner Coach Barb Stefani.

HHS JV volleyball team shoots Rockets

By DANA REID

The Heppner JV Volleyball team played the Pilot Rock Rockets Tuesday, October 18. The game was played at Pilot Rock.

The Fillies started the game with the first serve. The serves were going over well and the Fillies pulled ahead of the Rockets. As the game continued, Heppner started to lose a little of their spirit. They weren't talking and moving quite enough but after a timeout and a pep talk from the coach, the girls were out and ready to play once again. The Fillies kept the lead

through the match and went on to win it. The score was 15-4.

The Fillies went out for their second match with the Rockets a little upset with themselves, but they stayed right in there and took control of the game. After a timeout for Pilot Rock, they were fired-up and firing them down on the Fillies. Heppner began to lose control and confidence and gave the match away to Pilot Rock. The score was 15-9.

Heppner went out on the floor for the third match with a little more enthusiasm. The Rockets has the first serve. Heppner wanted to win it and
