

Boardman LDS Church announces new Bishop

The Mormon Church in Boardman has made a ministerial change. In November, Dewey W. Murray of Irrigon became Bishop of the Church of Jesus Christ of Latter Day Saints replacing former Bishop Larry Smythe.

Murray was previously a high councilman in the Hermiston Stake and counselor to the bishop in Boardman.

Born and raised in Utah, Murray spent his two year mission in the northern states of Illinois, Iowa and Wisconsin. He and his wife Beverly have five children, Dewey, Sabrina, Anneli, Erricka, and Merissa. They live in Irrigon where they have been for seven years.

Dewey M. Murray

In addition to his church post, Murray also works as a power plant operator for the Corps of

Engineers at McNary Dam. Working with children is a hobby to Murray. He has been a

scout master for 25 years. The Mormon Church is located on Wilson Road in Boardman and

services are held at 10 a.m. on Sundays. "Everyone is welcome to attend," said Murray.

JV Fillies try for revenge against Ukiah

By DANA REID

The Heppner JV Fillies met the Ukiah Cougars on Tuesday, Jan. 31 at Heppner.

The first quarter started with the tip off going to the Fillies. Heppner took the ball down court to set it up. Heppner's offense was running pretty smoothly but with a few problems getting the ball through the hoop. On defense Heppner came out with a full court press. Their defense was good enough to give themselves a few steals which led the Fillies in for layups and two points each time. Towards the end of the first quarter the shots Heppner put up dropped through the hoop and gave the Fillies a one-point lead over

the Cougars to end the first quarter 8-7.

The second quarter was started as the ball was tipped to Ukiah. Back on defense the Fillies started to get into foul trouble which wasn't good. Heppner's rebounds were at their best in the second quarter. After a rebound the Fillies looked for the outlet pass which took them down court for a fast break. Half way through the second quarter Ukiah came on strong using a full court press. This really hurt the Fillies but they didn't ever give up and the score was still close at the end of the second quarter.

The third quarter started with the tip off going to Heppner. This quarter wasn't the Fillies best part of the

game. Ukiah came on strong and took the lead from the Fillies to make it 47-28 when the buzzer sounded.

The Fillies came out a little slow in the fourth quarter but half way through it Heppner started to make a comeback. Heppner was really getting into foul trouble which hurt badly. The Fillies were really playing tough defense and forcing the Cougars to turn the ball over. Heppner was fouled a few times and that was good for them because their free throws were going through the hoop with ease. The Fillies made a super effort but the score was split too far apart. The final score was 45 Fillies, 56 Cougars.

"The girls were really

nipped for this game. It was to be a game of sweet revenge, but it never materialized. The end result of the game was very disappointing, but I am encouraged by our improvement in the areas we have been working on. We had 42 rebounds which tied our record high. We also shot 30 percent from the field which is eight percent above our average and five percent above our highest game. We came out strong in the first quarter for the first time all year. The thing that hurt us the most in the game was our turnovers. We had an all time record high of 40. Our goal will be to lower that statistic in the coming games," said Coach Karen Howe.

CREATIVE COOKING

Try Herbed Salmon Ball at your next party. Served with chilled white wine, it's a positively elegant appetizer.

HERBED SALMON BALL

- 1 can (15-1/2 oz.) Red Salmon
- 1 package (8 oz.) cream cheese, softened
- 1 clove garlic, pressed
- 1/2 cup small curd cottage cheese
- 1/4 cup minced onion
- 1 teaspoon fines herbes, crumbled
- 1/2 teaspoon thyme, crumbled
- 1 cup chopped parsley
- 1/2 cup chopped walnuts
- Crackers

Drain salmon. Remove skin, if desired. Mash bones. Combine cream cheese, garlic, cottage cheese, onion, fines herbes and thyme until well blended. Stir in salmon to blend. Chill 3 hours. Mixture will be soft. Roll in parsley and walnuts. Serve with crackers. Makes 4 servings.

There is a definite pattern of better weather during maximum sunspot activity—even the quality of wine vintage is considered superior during these times.

Community events sign installed in Ione

Rod Taylor, an Ione High School student, helps install community events sign in Ione Monday.

The changeable sign was a joint project between the Ione booster club and the high school shop class, and will be used to announce community events, says Chuck Starr, high school principal.

NEWS OF EDUCATION

National Council of Teachers of Mathematics

THE MAGIC OF MATH

A number of parents are asking questions about their children's mathematics education:

- Is my child receiving the necessary mathematics instruction to be able to cope with the future?
- Is my child reaching his or her highest learning potential?
- How can I help my child enjoy learning mathematics?

Filling in—or making up—

"magic squares" can help children enjoy mathematics.

Some parents are finding answers by becoming parent members of the National Council of Teachers of Mathematics. Members receive useful periodicals and newsletters and are able to purchase other teaching tools at a substantial discount.

Some are also using creative mathematics activities at home. One idea is to make up some "magic squares." In a magic square, every row, column and diagonal has the same sum. Use a calculator if you like.

To learn more about joining the Council, or to get the answer to this magic square, write to the NCTM/Parents, 1906 Association Drive, Reston, VA 22091, or call (703) 620-9840.

Mustangs come on strong in 4th to defeat Redsides 46-43

By TRAVIS HYATT

The Heppner Mustangs used a strong fourth quarter to overcome the upset Wasco County Redsides 46-43 Friday night. Heppner is now 4-4 in league play.

Wasco opened the game by taking an 11-9 first quarter lead and spread the lead to five 24-19 at halftime.

"I think we underestimated them a little bit," said Heppner Coach Brent Eggers. "Our poor practice sessions all week hurt us too."

Wasco came out in the fourth quarter hoping to widen their lead and defeat the Mustangs for the first time in three years and were still leading by four going into the final stanza. But unfortunately for Wasco, that's when Heppner decided to make a comeback. Led by Greg Orr's eight points in the quarter and connecting on 16 of 18 shots from the free throw line the Mustangs came

back to even their record in league play.

Both teams shot terribly from the field. The Mustangs were 15 of 50 for 30 percent and the Redsides were 14 for 39.

STATISTICS

	1	2	3	4	T
Heppner	9	10	11	16	46
Wasco	11	13	10	9	43

Heppner (46): Thompson 6-1-1, Wray 1-6-0, Orr 1-7-10-15, Martin 2-3-1-7.

Cole 3-2-1, Moyer 2-0-0-4, Kennedy 1-3-1-5, Hamman 4-0-0-8, Totals 15-16-25-16.

Wasco (43):

Fenebo 1-3-2-2, Boggs 3-0-0-6, Blake 1-2-1-1, Tolentino 3-3-4-9, Duncan 2-5-8-9, Ashley 0-1-2-1, Hall 1-2-1-1, Totals 14-15-21-43.

Total fouls: Heppner 21, Wasco 20. Fouled out: Orr, Boggs.

There are 100 fancy varieties of goldfish.

CONSUMER CORNER
Carrying a lot of weight with grocery shoppers these days are plastic sacks with convenient built-in handles. Plastic grocery sacks have many consumer advantages: they're moisture-proof, stronger than paper, and reusable. Supermarket owners like them, too. Plastic producers report that the sacks are thinner and lighter, yet far stronger than the conventional paper bag. This eliminates the need for double bagging. Moreover, plastic sacks require less storage space.
