

# Over 1,000 attend St. Patrick's Day Celebration in Heppner

Estimates of the number of people who turned out for Heppner's St. Patrick's Day celebration Saturday ranged from 1,200 up, but by any standard of measurement, the feeling about town was that it turned into a resounding success.

A large crowd turned out for every activity including a great number at the parade, big crowds in the Elks Lodge and lots of people at the restaurants, and at the Catholic Church's ham dinner.

Organizers of the event were praised at the Heppner-Morrow Chamber of Commerce luncheon Tuesday for their work in putting together the now annual event which has grown from a small get-together in 1982, to a town-wide celebration in 1984.
