

HHS girls chosen to attend Girls' State

Stephanie Payne (left) and Jodi Padberg

Selection is based on leadership, character and honesty, cooperativeness, community participation and service, and scholarship.

Girls who are chosen to participate in the program will constitute a model state and will assume the duties of citizens by electing their own city, county and state officials. They set up their own city and county governments, conduct court sessions, and pass and enforce city ordinances. They elect their own state senators and representatives, and in their legislature, the girls introduce, debate and pass bills.

Padberg is the daughter of Lee and Linda Padberg of Lexington.

Payne is the daughter of Les and Phyllis Payne of Heppner.

Jodi Padberg and Stephanie Payne, both juniors at Heppner High School, have been selected by the American Legion Auxiliary unit in Heppner to attend Oregon Girls' State. The annual event will be held this year from June 10-15 at the University of Oregon campus in Eugene.

"Probably about average," said Kenneth Smouse of Ione. "I haven't heard of too much interest in it, but there's enough there to bring people out."
