MORROW COUNTY SCHOOL DISTRICT NOTICE OF MEASURE ELECTION NOTICE IS HEREBY GIVEN, that on May 15, 1984 an election will be held in Morrow County, Oregon. The polls will be open from 8:00 a.m. until 8:00 p.m. The following question shall be submitted to the qualified voters of the county:

Shall the Morrow County School District tax base be increased? Shall the Morrow County School District tax base be increased from the current \$742,978.00 to a proposed \$5,539,392.00? The current school district tax base is \$742,978.00 and represents 13.4 percent of the total taxes needed to fund the district budget. The remaining 86.6 percent of taxes needed must be levied outside the tax base in order to operate the schools.

The present tax base is not realistic and it is necessary to increase this base in order for it to be realistic. This proposed tax base measure does not levy a tax, instead it establishes a new tax base. If this measure is approved, the school district would be subject to the 6 percent constitutional limitation and could not exceed this limit without the consent of the voters within the school district.
