tee; and Northwest Finance Chair; and DNC.

Willis' community activities include: the American Quarterhorse Association; the National Cutting Horse Association; and NOW (National Organization of Women).

She has a Master of Science degree in Agriculture from Cal Poly San Luis Obispo.

Willis has submitted the following statement concerning her candidacy:

"The current massive deficit that is destroying our economy has been caused by irresponsible and excessive government expenditures supported by my opponent. By halting unrealistic increases in military expenditures and purchases such as the unnecessary M-X and obsolete B-1 bomber and by requiring the wealthy to pay their fair share through a Tax Cap instead of allowing even more of the tax burden to be shifted to middle income Americans we can balance the budget. I vigorously oppose my opponent's plan to balance the budget on the backs of Senior Citizens with further cuts in Social Security, Medicare and Veterans' benefits."

Larryann Willis, 37, of Vale is seeking the Democratic nomination for the office of Representative in the U.S. Congress from the second district.
