

Coast to Coast holds open house

Cliff and Cindy Green will be holding their open house at the Coast to Coast store in Heppner through Saturday. The Greens recently purchased the store from Ralph and Chris Limanen.

There will be lots of gifts given away during the opening, says Cliff, including grand prizes of a double fired gas grill, a shop vac, a torch kit and gifts to the first 100 men and the first 100 women to come in the store.

"We have an expanded inventory, and hope everyone comes by to visit," says Cliff. Refreshments will be served.

Former Ione woman earns promotion

Janet McElligott, daughter of Jerry and Maryann McElligott of Ione has recently been promoted to the position of legislative assistant. She began working as a receptionist for Washington state Senator Dan Evans at his Washington D.C. office in January of 1984 and will now be serving in her new capacity in the areas of

appropriations, armed services, and foreign relations.

She graduated from Ione high school in 1979 and from the University of Portland in May of 1983. She had spent some time studying in Europe and learning languages prior to her graduation. Her new position was "created to include her specialties and interests," said her mother, Maryann McElligott.

4-H Camp applications available at Ext. office

By BIRDINE TULLIS, OSU Program Assistant Morrow County

That letter arriving at the homes of Morrow 4-H'ers this past week was a very important document. It was the latest news and application form for 4-H Camp members fourth through seventh grade.

With school ending for the summer, kids start thinking about the fun and excitement of camping. Those interested should act immediately, as again this year the camping program will be offered to youth in Morrow, Gilliam and Wheeler counties, with applications accepted on a first come basis.

The 4-H Camp at Cutsforth Park is the traditional time of nature classes, hikes, games, crafts, ceremonies, and lots of singing around the campfire. Counselors will be high school age 4-H members from the three-county area. Extension staff, too, will be from the three counties.

Many plans and meetings have already gone into planning for a very special camp this year. Counselor selected theme for the event is "Dusty Trails West".

For more information call Stephen Campbell or Birdine Tullis at the Morrow Extension Service, Heppner, 676-9642. Deadline to apply for camp is June 8.
