## Elementary math contest winners announced

Sixty-five fourth, fifth and sixth grade students from Morrow County school district's four Elementary School competed in a math contest at Heppner Elementary School on Tuesday, May 29.

Contest winners for each grade level were determined by the results scored on a 40-problem contest examina-

tion which was followed by five additional, more difficult tie-breaker problems, announcing a spokesperson for the contest.

Fourth grade winners were as follows: first - Michael Helsley, Sam Boardman; second - Jana Mounts, Sam Boardman; third - Mina Gin, Sam Boardman; fourth - Amy

Pointer, Ione; fifth - Tracey McCorkle, Sam Boardman; a tie for sixth among Brandi Ball of Ione, Mikka Evans of A.C. Houghton, and Brent Sheirbon of Ione; ninth - Laine Perez, Sam Boardman; and tenth - Jason Cross, Sam Boardman.

Fifth grade winners were: first - Bobby Krein, Heppner; second - Christina Crane, A.C.

Houghton; third - Angela Smythe, Sam Boardman; a tie for fourth between Randy Beard of A. C. Houghton and Jon Horn of Sam Boardman; sixth - Jill DeVito, Heppner; seventh - Todd Payne, A. C. Place ribbons were awarded to the top 10 students in each grade and a plaque was given to the first place winner in each grade.

The elementary math contest was designed to recognize and encourage students who have excelled in their achievement in mathematics. "Stu-

dents qualified for the district contest by placing in a similar school level contest that was held earlier in the spring," said John Edmundson, co-chairman for the contest.

The evening activity concluded with a group relay in which mixed teams of students from different schools and grade levels competed against one another. Two teams tied for first place. The team members will receive beverage gift certificates from local restaurants including: Beecher's Cafe in Ione; C & D Drive-In in Boardman; Stoke's Landing Restaurant in Irrigon; and R & W Drive-In in Heppner.

Contest co-chairman Edmundson and Mick Tolar expressed appreciation to the many teachers and parents who helped with leading the contests, grading papers and providing transportation. Particular thanks was extended to school contest coordinators Tim Birkby, Heppner; Mark Jones, Ione; Doug Sheirbon, Boardman; and Doug Howell, Irrigon.
