Asks support for Fair Pay

To the editor:
The Fair Pay Amendment is nearing the number of signatures needed to put it on the ballot. But it needs that last extra boost - that 83,361st valid signature.
Basically, Fair Pay will amend the Oregon Constitution to require that wages, including fringe benefits, of public employees not be higher than those paid in private industry for the same work. When fully implemented, Fair Pay is expected to save Oregonians approximately \$800 million per year, now being paid out largely in excessive fringe benefits.
Signing the petition will help get Fair Pay on the November ballot and will bring an issue

which consumes most of your tax dollars under public debate.

If you want to help, or at least sign the initiative, call Fair Pay at 646-3346. We'll be glad to let you know the location of the nearest canvasser. In the Tri-County area, drop by either the Fair Pay Office at 11200 S.W. Allen in Beaverton or go to the Petition Fair in Pioneer Square in downtown Portland between June 20th and 27th.

Don't delay, Oregon should discuss fair pay.

Sincerely,
FAIR PAY COMMITTEE

State Treasurer
