DIVISION 6 — 4-H FOODS

Foods selected for State Fair must be delivered to County Extension Office Monday, Aug. 20, by 4 p.m. packaged, boxed, and labeled for State Fair Delivery.

Foods 1: Fit It All Together

93110 — Four Cookies, include recipe on 5 x 8 card or paper.

93111 — Educational poster using information or ideas from the "Fit It All Together" member manual. Poster must not exceed 14 x 22 inches. Poster must be accompanied by a card filled out by the member and answering the following three questions: (1) Why did you choose this topic? (2) Where did you get the information? (project book, Extension bulletin, etc.) and (3) Why is the information important?

Foods 2: All American Foods

93120 — A quick bread, using baking powder or soda. Example: four cinnamon rolls, muffins, biscuits; or one-half of a larger product such as a coffee cake or corn bread. Include recipe on 5 x 8 inch card or paper.

Foods 3: Meals Today

93130 — An uniced cake, without topping (no frosting, icing, glaze, powdered sugar, fruit, nuts, etc. as topping). Exhibit should be half of one layer or half of a loaf cake. Include recipe on 5 x 8 inch card or paper.

93140 — A yeast product; plain or fancy (3 to 4 small or one-half of a large food — small products may be the same or different shape but must be made from the same recipe). Include recipe on 5 x 8 inch card of paper.

Foods 5: International Foods

93150 — An international food (3 or 4 small or one-half of a large food — small products may be the same or different shape but must be made from the same recipe). Examples: candy, cookies, doughnuts, rosettes. Include recipe on 5 x 8 inch card or paper. Tell what country your food represents.

Foods 6: Advanced Foods

93160 — A gift package of food, (May include only one food or up to five foods using different recipes.) If home preserved food (example: canned, pickled, or dried) is used, the exhibit must include at least one other food. Exhibit only one-half of each large food product included, such as breads or cakes. Include to whom the gift is intended and for what occasion. Example: Uncle for his birthday. Include recipes on 5 x 8 inch cards or papers.

93161 — Educational display with information relating to foods. Possible topics are nutrition, foods science principles, food storage or safety, food buying, meal planning and service, food customs, food issues, careers in foods, fitness, health. The exhibit may include pictures, models, or actual articles and may be a poster, notebook, or three dimensional display. Size is limited to 30 inches wide, 30 inches high, and 24 inches deep. Must be accompanied by a card filled out by the member answering the following three questions: (1) Why did you choose this topic? (2) Where did you get the information? (project book, Extension bulletin, etc.) (3) Why is the information important?

Judged on:

- Information - 50 percent
 Related to Member's 4-H project - 30 percent
 Workmanship - 20 percent

93210 — Outdoor Cookery - Sack lunch (Arrange sack lunch in box with clear covering ... include only foods suitable for keeping at fair without spoilage).

93220 — Outdoor Cookery II, a tin can stove and buddy burner or two miniature fire models.

93230 — Outdoor Cookery III, reflector oven or a food baked in reflector oven (3 to 4 small or 1 large food product. Small products may be the same or different.)

DIVISION 7 — 4-H FOOD PRESERVATION**PREMIUMS**

Blue - \$4.00, Red - \$3.00, White - \$2.00

All canned foods must be labeled on top or side of the jar (not on bottom). Dried foods should be exhibited in jars or sturdy plastic bags, with labels securely attached. Labels for both canned and dried foods must include date preserved, product, pack or process time, etc. For more guidelines, see "Labeling Preserved Foods" (4-H 93313). Members may enter only one class.

Junior Division

93311 — Two jars of canned fruit or berries. Each jar should contain a different fruit or berry. (Two jars of fruit or two jars of berries are permissible as long as types of fruit and berries are different.) Include a serving suggestion and-or recipes using the fruits and-or berries.

93312 — Fruit leather, two flavors. Five rolled bite-sized pieces, each about one inch in length.

93313 — Two jars, one jar of tomatoes and one jar of tomato juice.

Intermediate Division

93321 — Two jars of jam or jelly with pectin. Each jar should contain a different jam or jelly. (Two jars of jam or two jars of jelly are permissible as long as types of jam or jelly are different.)

93322 — Dried fruit and-or vegetable, two different types. About one-half cup each. Include a serving suggestion or a recipe using the dried food. (May be two dried fruits and-or vegetables as long as types of fruits and vegetables are different.)

93323 — Two jars of canned vegetables. Each jar should contain a different vegetable. Include a serving suggestion and-or recipes using the vegetables.

93324 — Two jars of relish or quick pickles. Each jar should contain a different relish or pickle. (Two jars of relish or two jars of pickles are permissible as long as types of relish and pickles are different.)

93331 — Two jars of jelly with no pectin added. Each jar should contain a different jelly.

93332 — Two jars of relish or fermented (brined) pickles. Each jar should contain a different relish or pickle. (Two jars of relish or two jars of pickles are permissible as long as types of relish and pickles are different.)

93333 — One gift package of five different canned foods.

93334 — One hiking meal of five different dried foods. Include serving ideas or recipes using the foods.

93335 — Three pieces of jerky, each at least 1 inch by 3 inches. Include serving idea or recipe for using the jerky.
