

4-H MARKET STOCK SALE FFA

Sale Committee: Merlin Hughes, Bob Van Schoiack, Tom Currin, Wayne Evans, Ed Brosnan.

Sponsored by the Morrow County Livestock Growers Association
Wednesday, August 24, 8 p.m.

MARKET ANIMALS ARE SHOWN AS ONE BREED. Classes are divided by weight

RULES:

- All market livestock must be on the grounds by 10 a.m. Monday, August 22.
- All sheep and hogs must be owned and in possession of 4-H or FFA member for at least 60 days. A "T Certificate" must be turned in at the time of weighing steers. This is a bill of sale from the original owner of the animal to the member. The cost is \$1.15 which is usually paid by the seller of the animal. "T Certificates" may be obtained from Jean Bennett or other brand inspectors. All steers must be in the possession of the member by April 1, 1984.
- All sale animals must have been exhibited in their proper classes at the 1983 Morrow County Fair.
- Each exhibitor is limited to the sale of any two exhibits except that both sale exhibits cannot be steers. The following are examples of permissible sale combinations: 1) one steer and one hog or lamb, 2) two lambs, 3) one hog and one lamb, 4) two hogs, 5) one hog and one steer, 6) one steer and a pen of three fryer chickens, 7) any two pens of small animals, 8) one hog and a pen of three fryer rabbits, etc. with the provision that all sale animals must be judged as fat stock. All small animals will be sold by the exhibitor.
- All steers must grade USDA good or better to sell. All lambs must grade USDA good or better to sell. All hogs must grade USDA No. 3 or better to sell.
- The animals weight limitations will be evaluated by a qualified judge who will estimate if beef will grade good, choice (or better); if sheep will grade choice (or better) and if hogs will grade U.S. No. 1, No. 2, or No. 3. The judges estimates will be based on exterior finish and conformation. Actual grade of beef will be influenced primarily by marbling.
- Animals will not be permitted in sale if underweight or overweight. All weights are AFTER pencil shrink.
 - Steers must weigh 975 to 1350 lbs.
 - Lambs must weigh 90 to 140 lbs.
 - Hogs must weigh 195 to 250 lbs.
- Shrinkage: All sale animals will be weighed off the truck, Monday, August 13. A three percent shrinkage will be given to all animals hauled 10 miles or less. A two percent shrinkage will be given to all animals hauled more than 10 miles. A four percent shrinkage will be given to all animals brought in the night before fair weigh-in.
- All market animals are consigned to the auction sale unless excused by the sale committee.
- There is unlimited bidding on 4-H and FFA grand champion animals. The reserve champions can sell for the same as the lowest-priced grand champion animal, but no more. Other animals cannot sell for more than the lowest-priced reserve grand champion of the same species.
- Market steers to be led to specified corral after sale.
- Sellers of small animals to provide transportation cages for buyers.

THANKS TO 1983 BUYERS
