

Court of Honor awards scouts

Heppner Boy Scout Troop 661 honored local scouts at a Court of Honor held January 8 at the Heppner Elks lodge.

Senior patrol leader J.J. Shaw opened the Court of Honor with the flag ceremony and Scout oath. Shaw received merit badges for camping, rowing, canoeing, communications, riflery, and gardening and 3-year pins for attendance and service.

Scouts Richard Pettyjohn, Steven Rollis, Howard Swanson, and Ste-

phen Swanson advanced in rank. Rollis also received a recruiter badge.

Adult Service pins were awarded to Perry Cooper, outgoing Scout Master, for five years of service, and to Linda Shaw, committee chairman, for one year of service. A plaque was presented to Cooper noting the troop's appreciation for his service as Scout Master.

Heppner High School teacher Larry Cerullo has been named to replace Cooper as Scout Master.

Dr. Wolff retains membership in AAFP

Dr. Wallace H. Wolff of Heppner has completed continuing education requirements to retain active membership reports the American Academy of Family Physicians, the national association of family doctors. The Academy formerly was called the American Academy of General Practice.

The requirements call for members to complete a minimum of 150 hours of accredited continuing medical study every three years. The Academy was the first national medical group to require members to keep up with medical progress through continuing education. Because of their broad training, family

physicians have the "know how" to treat approximately 90 percent of all human illnesses.

The Academy, founded in 1947 and headquartered in Kansas City, Mo., was instrumental in the establishment of the specialty of family practice in 1969. Besides maintaining continuing education standards for its members, the Academy strives to increase the number of family physicians available to serve the public in the future.

It's continuing education program also provides a major basis of eligibility for Academy members seeking recertification in the specialty of family practice.

Chili feed set at HHS cafeteria

The Heppner Booster Club will sponsor a chili feed Saturday, Jan. 26 at the Heppner High School cafeteria from 4 to 7 p.m. Chili dogs, salad and drinks will be available as well as chili, said a club spokesperson.

The chili feed is just one of the activities which the newly-formed Booster club is planning to help boost spirit at the school activities. The Booster club will sit in a

designated section at games and cheer on the Mustangs and Fillies.

Those who are interested in becoming a member of the Booster Club may send a \$2 membership fee to chairman Angie Conover, Rt. 1, Box 34, Heppner.

Booster Club jackets are available from Diana Ball, 676-5306.

The club hopes to be able to award a student scholarship and install a lighted downtown activities board.

Local News Bits

Ruth McCabe returned recently from a four weeks stay in New York City with a daughter and family.

Mr. and Mrs. Kenneth Smouse were Salem and Portland visitors this week.

URGENT
TO CITY SEWER SYSTEM USERS:

We have found large quantities of motor oil in our sewer system. This oil kills the bacteria that does the digestion for the system. This causes a great deal of extra work and many problems. One of which is odoriferous.

Therefore, we are again asking that you do not put oil, cooking grease, rubber and plastic items, gunny sacks, etc. into our sewer system. These items will clog the sewer lines causing sewage to back up, perhaps, into your home.

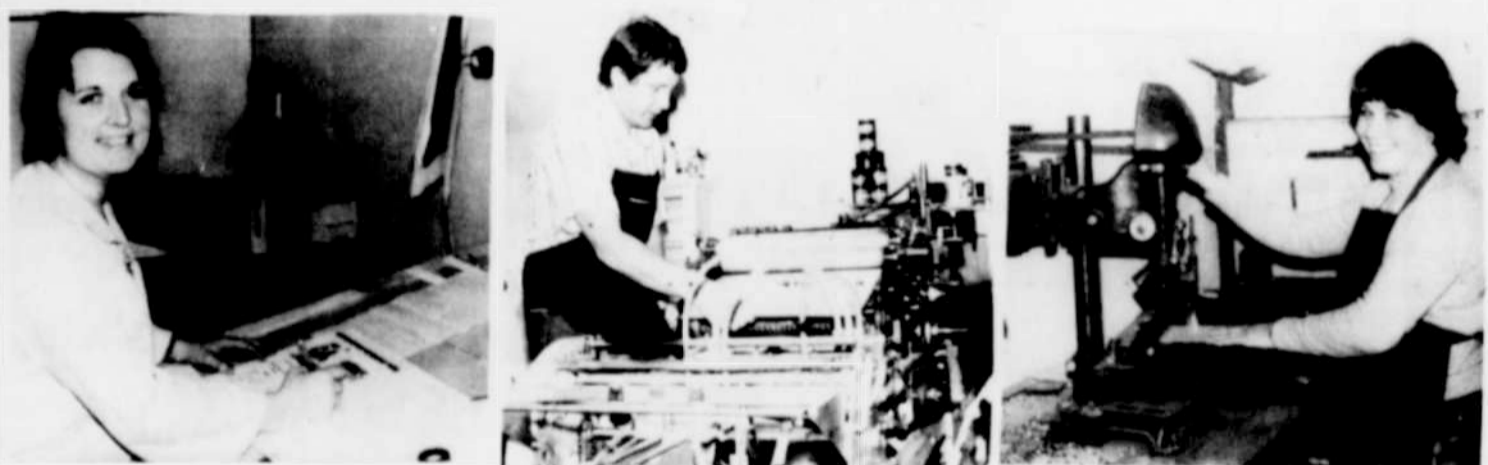

Your cooperation will be appreciated.
Heppner City Sewer Dept.
