Payne caps brilliant track career with 2 seconds at State

Stephanie Payne, Heppner High School senior, capped a brilliant track and field career last weekend at the State A track and field meet in Gresham by earning second place finishes in the 100 and 200 meter dashes.

She earned the right to compete in the state meet by capturing District 7A titles in both events the previous weekend and Friday in the preliminary events won both her heats to get into Saturday's finals. In the finals she ran :12.79 to place second to the defending state champion Jennie Grasley of Portland Christian and in the 200 she ran :26.52, also second to Grasely.

Payne has competed in the state meet in each of her four years in high school and each year has shown marked improvement. As a freshman, she competed on a non placing 400 meter relay team, her sophomore year Payne ran on the fifth-place team at state, competed in the long jump, and earned the finals of the 100. Last year she placed fifth in the 100, third in 200, and ran on the sixth place 1,600 relay team.

Other local tracksters also competed in the state meet although they did not place.

Jodi Padberg ran in a very competitive 1,500 meter field and set a new school record running 5:15.2 finishing tenth overall out of a field of 17. This lowered the school mark she set as a junior of 5:19. The winning time at state was 4:52.8. Padberg also competed in the 300 meter run but did not make the finals. She ran 2:53.1, a season's best, to place sixth in heat. Only the top four made the finals.

Trent Harrison turned in a season's best in the 800 meter run with a 9:33.6 clocking. He was 11th overall. The winning time was 9:03.54. Cathy Martin competed in the girls 1,000 and ran 12:00.5 and was 12th overall. The winning time was 10:56.74.

Also competing was senior Janelle McElhany who ran :17.3 in the preliminaries of the 100 meter High Hurdles and just missed qualifying for Saturday's finals. Her mark equaled her season's best.

"Overall, I thought we competed very well," said coach Dale Conklin. "Our kids either equaled or set season's bests and you can't ask for much more than that."

"I also thought we accomplished most of what we set out to do this season," Conlkin said. "We established goals early in the season, and most of them were met. The one team goal we missed was coming back from state in the top four. That missed goal was the result of a set of circumstances that we didn't have any control over. It was a very good season for the girls."

By TRAVIS HYATT

The Heppner Mustangs nearly pulled off the upset of the year last Tuesday against the 11th ranked Weston-McEwen Tigerscots but just fell short, losing 7-6 after two unearned runs in the seventh inning.

The Mustangs tied it up in the bottom half of the fourth on Doherty's third RBI of the game.
