DEPT. VII. FLOWER SHOW

Supervised by Heppner, Ione, and Lexington Garden Clubs

— Entries will be accepted Tuesday, August 13 from 6 to 8 p. m. and Wednesday, August 14 8-10 a. m. Because of the five-day fair, exhibitors are encouraged to replace faded blooms to keep their exhibits fresh throughout the show.

General Directions to Exhibitors:

1. Some containers will be furnished by the fair.
2. Flowers and plants, except those used in artistic arrangements, must be grown by exhibitors.
3. House plants should have been in exhibitor's possession for three months.
4. Foliage of plant is required on all specimens.
5. Horticulture specimens should be labelled with correct name if possible.
6. Only one entry will be permitted per exhibitor for each lot number.
7. The fair is not responsible for loss or breakage of containers or accessories, but superintendents will exercise every effort to protect exhibits.
8. No artificial fruit, flower, or foliage will be permitted unless specified.
9. Exhibitors should check schedules carefully before making entries.
10. Professionals may enter for exhibit only.

Flower Hints:

1. Cut flowers in later afternoon of the day before they are exhibited; place immediately in lukewarm water, and set in a dark place, free of drafts.
2. Select material in its prime and pest-free.
3. Roses should have healthy stems, be shown with foliage, and blooms should be one-third to one-half open.
4. Gladioli should be one-third of flower fully open, one-third showing color and one-third in tight buds.
5. Dahlias should have a minimum of two leaves and no buds. Double cactus and decorative types should show tight centers.
6. In specimen entries requiring two or more flowers, blooms should be of uniform size.
7. All plants and flowers should be properly groomed.
