DIVISION 5 — MINIATURE CAR RACES

Superintendent: Dan McBride

PREMIUMS

— Double elimination, Wooden race cars

RACING SPECIFICATIONS:

1. Width - overall width shall not exceed 2 3/4"
2. Length - overall length shall not exceed 7"
3. Weight - Shall not exceed five ounces. No loose materials of any kind are permitted in the car. The car may be hollowed out and built to the maximum weight by the addition of wood or metal only, provided it is securely built into the body.
4. Wheel bearings - washers and bushings are prohibited
5. Springing - The car shall not ride on any type of spring.
6. Details - Details such as steering wheel, decals, painting interior detail are permissible as long as these details do not exceed the maximum length, width and weight specifications.
7. Attachments - The car must be free wheeling with no starting device.
8. Inspection - Each car will be inspected by the superintendent. The superintendent has the right to disqualify any car that does not meet specifications.
9. Owner - Car may be raced by one owner.
10. Two cars will be raced at a time. Double elimination will be used.
11. This will be open to three different age groups: 1-10; 11-15; 16-100.
12. First, second, and third prize for each age group. First, second, and third prizes will also be given to the best finished and designed car in each group.
13. Cars are to be left at the fair on display and after entry to car race.
