GENERAL FFA RULES

1. Open to all FFA members in Morrow County. Exhibits shall be part of the exhibitor's supervised farming program.
2. Each exhibitor shall have owned animals at least 90 days. Market lambs and hogs must be in exhibitor's possession at least 60 days.
3. No animal or crop shall be entered in FFA and Open Class or 4-H at the same time.
4. Livestock shall be on the grounds by 10 a.m. Monday, August 14. Animals may only be removed early by special permission of the superintendents.
5. Each exhibitor shall be responsible for the care of his or her animals. Manure and waste to be piled as instructed in the general rules in the front of this book by 8 a.m. each morning. Premium money may be withheld if animals are unmanageable, not groomed or if stalls are dirty.
6. All animals must appear in the show ring to be judged. All exhibitors must be able to show and handle their own animals.
7. All market animals are shown as one breed. Classes are divided by weight.
8. One entry per lot. Except for market lambs and hogs, one exhibitor may enter two lambs or two hogs.
9. Exhibitors who desire to sell their animals through the sale must submit a "Feed and growth record" current up to the fair weigh-in. These need not be a specific form, although "4-H 140R" will suffice, but should include the following data: member's name, animal's name and description, purchase date and weight, animal's breeding, all weights made during the project period, a record of all feed consumed and its cost, a record of veterinary and other expenses, and other data that is pertinent to your records. The object of these records is to help you determine whether you made, or lost, money on your project.
