

Kids and Kids at Heart salute Morrow County and Independence Day!

photos by Wayne Hams and Sandy Holtz

There was something for everyone during the combined Morrow County Centennial and Fourth of July celebration in Lone last week. Chaired by Diana Hams, the committee provided something for kids of all ages from the opening parade to the street dance which capped the evening.

Photos clockwise: Grand Marshal Edith Nicholson leads the parade in model T chauffeured by Chuck Nelson. Artists display works at city park. Lone Fire Dept. marches with piece of fire fighting equipment used many years ago. Chief Harvey Childers follows. Tying one on! Balloons, that is for the celebration. (Inset) Adrienne Swanson, one of the youngest to go the whole four block parade route on her own power. Fireworks display near the close of the celebration. Gazebo erected in the city park by members of the Lone Community and Agri-Business Organization. Frogs jump while feet (hopefully with bodies attached) look on. Gene Rietmann entertains "In the Good Old Summertime."

†SWITCHABLE TOUCH-TONE/PULSE phones work on both tone and pulse lines. Therefore, in areas having only pulse (rotary dial) lines, you can still use services requiring tones, like the new long-distance systems and computerized services. We service what we sell.
