"With a little less luck, I could win a fortune."

Lou Lucas of Salem, Oregon, was Oregon Lottery's first \$5,000 winner.

No exclamation Mr. Lou Lucas of Salem after winning an instant \$5,000 in the Oregon Lottery True, he said it with a grin on his face stretching from sea to sea. But, maybe he wasn't all kidding.

If, for instance, he'd been just a little less lucky, and won \$100, he'd then be eligible for a chance to spin the Grand Jackpot Wheel. For up to millions of dollars more.

Sorry Lou. Guess you'll just have to buy a ticket for the Oregon Lottery's new game, "The Sky's the Limit" this time, try not to cross your fingers quite so hard.

With "The Sky's the Limit", you can now win up to \$10,000 instantly.

And the odds are better than 1 in 10 that you'll win something.

And remember, Oregon wins with every ticket you buy.

So far, over \$10 million has been raised for Economic Development.

So, go ahead, buy yourself a ticket. Who knows, you may be really lucky, by being just a little less lucky than Lou.
