## JV, 'C' Fillies come up short

By Dana Reid

The Fillies' junior varsity team come up short against the Weston-McEwen TigerScots Tuesday, Oct. 8. The match was at Weston-McEwen.

Heppner went out in the first game against the TigerScots ready to play and started the game with a net serve. Weston then served and the Fillies set it up sending a hard spike to the TigerScots' floor. Heppner took the next serve and put the first point on the board.

Heppner had excellent serves and Weston-McEwen had some trouble with communication. The Fillies finished with a well-deserved win.

"The team had a great first game, where they dominated entirely," said Fillies Coach Reynolds.

The second game wasn't so hot for Heppner. They started out good, but lost it half way through and gave the win to the TigerScots.

The third game took awhile to get started as both teams kept putting the serve into the net. After getting started Weston-McEwen took off, a great lead, and made competition tough for Heppner. Excellent play made a tremendous 0-13 comeback for the Fillies but unfortunately left them two points short as Weston-McEwen won the game and match.

The scores to the games were 15-7, 5-15, 14-16.

"They seemed to lose confidence with themselves," Coach Julie Reynolds commented about the second game. "The third game was a great come back," she added.

The junior varsity team traveled to Pilot Rock Thursday, Oct. 10. They took the Rockets in just two games.

The Heppner "C" team played the Weston-McEwen varsity and junior varsity.

Weston-McEwen won the match but it took them three games to do it.

The Fillies started the game with excellent playing. Their serves were hard for the TigerScots to pick up.

The games were very close and the final wins came down to the players the TigerScots put out on the floor.

The Fillies were scheduled for a "C" team game but didn't realize they would also be playing a few junior varsity and one varsity players.

Heppner played very well and kept the scores tight. The scores to the games were 10-15, 15-9 and 14-16.

"They had a tough time when Weston put in their JV and varsity players," said Fillies' Coach Reynolds, "up until then our "C" team was entirely dominant."
