

Heppner Happenings

By Mary Bryant 676-9493

Mr. and Mrs. Boyd Redding were recent weekend guests of Mrs. Alena Anderson. They had lived in the Los Angeles area until their retirement and are now on a five month tour of the United States and Canada. They had visited Nova Scotia, New Hampshire, and in Missouri, where their folks had lived in years past, among other areas. They are planning on visiting her folks in Portland when they left Heppner.

Beverly and Albert Wright recently returned from a trip to Minnesota in celebration of their 35th wedding anniversary. Mrs. Wright came here when she was ten years old from St. Paul. Her father's family had lived at Clearwater, approximately 70 or 80 miles from St. Paul. They visited with two of her aunts, 81 and 82 years, respectively, where they enjoyed meeting other relatives, catching up with family news and looking at family pictures. There had been so much rain the farmers had been unable to harvest their corn and their crops were standing in the fields. The Wrights found the terrain very different than ours with rolling hills rather than our rough country.

The "C" team volleyball team traveled to Umatilla Tuesday October 21 and ended the season with another win.

The Fillies played an excellent game and set the ball up for bumps, sets, and spikes.

Heppner took Umatilla in just two games. The scores were 15-3 and 15-9.

"This was a good game for our "C" team," said Coach Terri Gentry. "It was one of their best games all season because they worked as a team setting the ball up for plays and getting some good solid serves in," Coach Gentry added.

The "C" team ended the season record of 5-3 and a league record of 4-2.

Heppner's wins were against Riverside, Stanfield, Weston McEwen and Umatilla.
