Mustang defensive back Duane Ball named to CBC all-star football second team

By Ashley Conklin

At a special meeting in Boardman on Tuesday, Nov. 5, the Columbia Basin Conference football coaches announced the CBC all-star football teams.

Wahtonka of The Dalles dominated the first team, filling nine spots with six players. Umatilla was next with six first team positions filled by five people.

Heppner's highest selection was 5'9", 110-pound sophomore Duane Ball, who was selected to the second team defense as a defensive back. The Mustangs' other two spots were filled by Jason Palmer. The 5'8", 175-pound junior was an honorable mention pick at offensive guard and linebacker on defense.

A total of six players were selected for both first teams. They were Trent Eastman of Weston-McEwen at both guard and linebacker, lineman Scott Carty and Jay Collier of Wahtonka, end Brian Sheadel of Riverside, end and kicker Curt McConnell of Wahtonka, and Rick Heinzelman, a lineman from Umatilla.

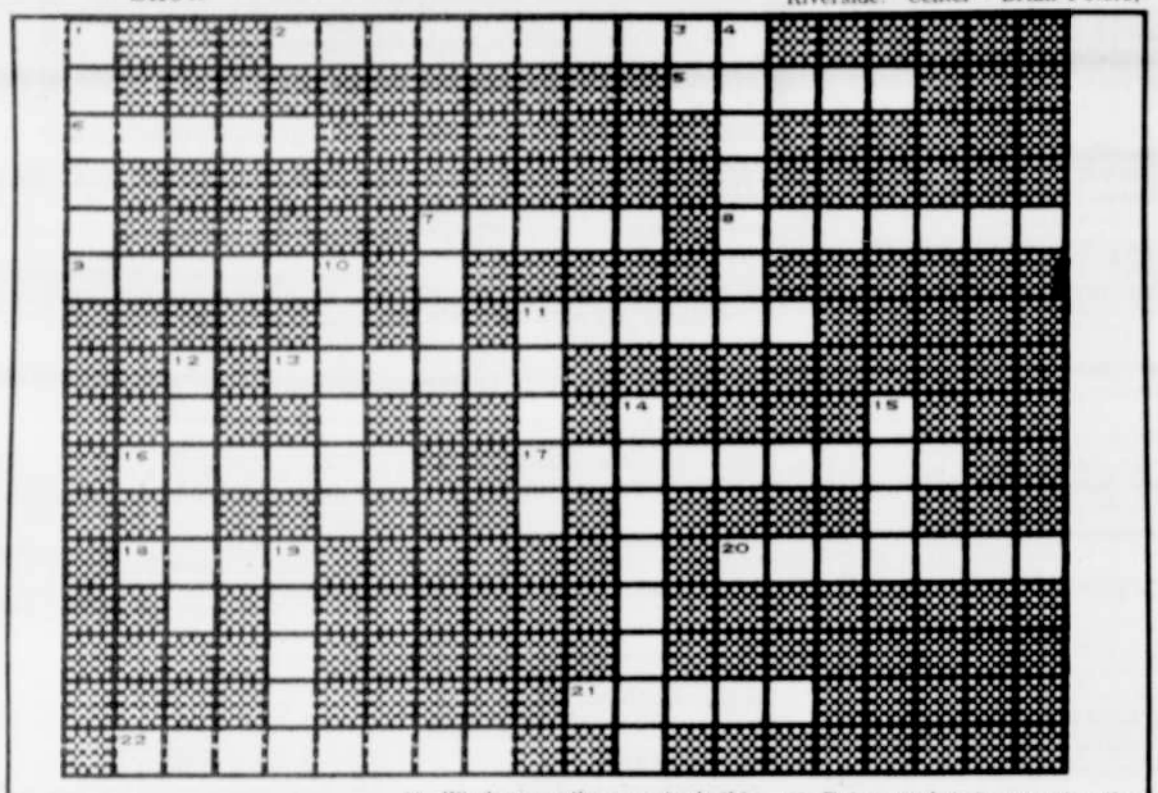
Snow



Across Clues
2. Informal Sporting Event
5. Pattern kids make in snow
6. Outdoor footwear
7. Worn around the neck
8. Three little kittens lose them
9. Keep hands warm
11. Traction device for deep snow
13. Type of snow for skiing
16. Season for snow
17. Snow sometimes melts this way
18. Way of sweeping snow off roads
20. Type of tire used in winter
21. Wind causes the snow to do this
22. 32 degrees fahrenhiet

Down Clues
1. This activity is done in a river during summer
4. Kids sculpture
7. Best vehicle for sliding downhill
10. Used to clear snow from path
11. Forms on top of melting snow, also makes a pie a pie
12. Hangs from roof when snow melts
14. Snow storm
15. Put on roads to improve traction
19. Color of snow

Answers to last week's puzzle

NOW, ONE OF THE BEST REASONS FOR BEEF IS RIGHT ON THE PACKAGE.

Many grocers in Oregon and throughout the country have just adopted a Fresh Meat Nutrition Information Program that could change a few of your shopping routines.

The program is based on research data provided by the USDA, and includes specific calorie, fat content, and other important nutrition information on beef that many people find surprising.

You see, today's beef is leaner and better trimmed than ever before. And the figures prove it with low calories and cholesterol content — plus, high protein, iron and zinc content.

This detailed, revealing information is available on most popular beef cuts.

BEEF SIRLOIN STEAK
185 CALORIES PER 3 OUNCE
BROILED, TRIMMED SERVING

		%	0% 50% 100%
•CALORIES	185	9	
•TOTAL FAT	8.3g	12	
Saturated Fat, 3.3; Monounsaturated Fat, 3.6; Polyunsaturated Fat, .4			
•CHOLESTEROL	75mg	25	
•SODIUM	56mg	2	
*PROTEIN	26g	57	
*IRON	2.9mg	16	
*ZINC	5.5mg	37	
*THIAMIN	.11mg	7	
*NIACIN	3.6mg	18	
*B-12	2.4mcg	40	

NUTRITION INFORMATION PER COOKED SERVING; TOTAL RECOMMENDED DIETARY INTAKE

•Based on standards of comparison.
*Based on % U.S. Recommended Daily Allowances. Data based on USDA research.

Look for the Nutrition Information Program at your favorite grocery store. Then enjoy the great taste of beef, knowing you're providing your family the kind of nutrition it needs in a healthy diet.

Morrow County fair receives silver rating

Morrow County received 899 of a possible 1000 points under the Merit Rating Program as set up by the Oregon Fairs Commission. Oregon fairs are rated by qualified evaluator as a basis of receiving monies from revenues received from the racing commission, reports a spokesperson for the Morrow County Fair Board. The total number of points awarded gives the dollar value of for each point.

A silver medallion will be awarded to the Morrow County Fair. Fairs receiving 920 points or better are awarded a gold medallion; 820 to 919 receive a silver, and anything below 820 receive a blue ribbon rating.

The divisions under which the merit rating points are received include management, community participation, showmanship, and the physical plant. A brief explanation of these categories follows:

- Management: completeness and distribution of fair premium book; participation of the county at state level; implementation of long-range plans; personnel involvement; off-season revenues and management of funds available.

- Community Participation: A representative cross-section by exhibitors of the county; participation from all segments and all inter-es
percentage of 4-H and FFA who exhibit at fair; other youth participation; fair attendance in relation to county population; exhibit participation from various communities, organized groups and associations; involvement of major agriculture, commercial, and public bodies or agencies.

- Showmanship: Presentation of exhibits including participation, arrangement, special displays, attractiveness, quality and usage of theme through-out; circulation of traffic and fire lane observance, first-aid facilities, adequate parking or alternate transportation and adequate lighting on all display areas.

- Physical Plant: Signs to direct vehicular traffic; signs for exhibit areas; over-all appearance of grounds; sufficient eating facilities; maintainance of facilities; repair and upkeep; cleanliness and herdsmanship during fair activities.
