**Already pay additional fee**

To the Editor:  
Concerning the water rates for residents outside the city limits. I want to call attention to the fact that we buy our own pipe, lay it at our own expense and maintain it. We already pay an additional for each month.

**Imperative that petition drive continues**

To the Editor:  
The startling turn of events in the Antelope area these past few weeks seem to have fostered a belief that further efforts by the Save Antelope Committee are unnecessary—a dangerous assumption.

The changes in Antelope are primarily cosmetic. While the police force may be removed, the RIC "security" patrol continues to keep us under surveillance. The city council remains 100 percent Rajneesh and can rescind any changes they have made at any time.

We hope these recent conciliatory actions are made in good faith but prior experience with this group makes us skeptical. The only way we can make sure abuses do not re-occur is to disincorporate.

It is imperative that the petition drive continue. We urge every Oregonian to sign it at the earliest opportunity.

Sincerely,  
(s) Jim and Jean Opray  
Antelope, Ore.
