Plan community booth for fair

The opportunity of presenting a community booth at the Morrow County Fair is open to all organizations in Morrow County, including

school clubs. Booths display graphically how organizations serve the area. Using the fair theme "Tomorrow-To-Day" helps tie the display to the fair.

Booths are 4 ft. deep by 6 ft. across the front, table height, and enclosed on three sides.

Consider the scoring guidelines below when designing the display:

1. Effectiveness in telling the story. Is there a specific story for an intended audience?
2. Visualization of message. Is there a center of interest, balance, unity, simplicity? Effective use of color?
3. If perishable agricultural products are used are they of top quality?
4. Is the booth original in its basic concept?

Fair booths are to be finished and the area left clean by 9 p.m. Wednesday, August 13. Call the fair office at 676-9474 to reserve space for your community booth.
