

## Supts. plan for fair exhibits

The fair department superintendents have been meeting for the past several months planning so everything will be ready for exhibits.

All superintendents volunteer their service: Marion Brosnan, 40 years; Ruth Bergstrom and Jane Rawlins, 35 years each; Marilyn Bergstrom and Bebe Munkers, 32 years each.

All of the dedicated superintendents work to make the Morrow County Fair a success.

## Fair Board has many responsibilities

Fair Board members include Chairman Charles Daly; Vice Chairman Bob McLaughlin; Harold Peck, Pete Richards and Merlyn Robinson. Members are appointed by the County Court for three year terms.

The responsibilities of a Fair Board include year-round supervision of the usage and maintenance of the grounds, with long range planning to upgrade facilities and keep operations within existing budget revenue.

Board members willingly donate time, not only for monthly meetings, area seminars, and conventions but assist in different project areas.

Scheduling for all activities for the fair and rodeo is a year-round endeavor and this year will see a shortened jam-packed format.
