Speedway lists finishers

Dan Riehl, brother of Tom Riehl, Heppner, with trophy

After last minute engine repairs Portland driver Dan Riehl won the Umatilla Speedway Main event August 16. Riehl drove his Corvette to finish the race which was marred by only one accident, when Jim Long (Plymouth) crashed through the fence. Long was unhurt,

a stuck throttle was to blame for the wreck. Finishing second was Bart Hector (Ephrata), Dennis Long (Plymouth) came in third. In the A-Stock Main event, a 12th lap spin-out involved Bill Lankford (Pendleton) and Robert Dawson (Hat Rock), ended up with Dawson stuck on the bank. Lankford was penalized

two laps for the incident. Track officials said Lankford tried to pass two cars and turned in before he was clear of the other two. Dawson returned to the race after replacing a bent wheel. The winner was Dennis Hector (Hermiston), Bob Riehl (Heppner) second, and Brent Ware (Hermiston) third. Lankford finished fifth, and Dawson eighth.
