Nine Heppner thinclads qualify for state

By Ashley Conklin

Heppner brought home a district championship from last weekend's District 7-A track meet. Six Heppner boys and three Heppner girls qualified for this weekend's Class "A" state meet.

Heppner broke away from the first day of competition trailing Wahtonka 42-40 but used its dominance in the distance events to pull away and win 118-104 over Wahtonka.

The Heppner girls got strong performances in the distance races to finish fifth with 40 points.

Last year Heppner's boys were fourth with 49 points and the girls tied at 12th with nine points.

"Mostly all of our runners had personal bests on season's bests," head coach Dale Conklin said, "and the good times came when they needed them most."

Conklin was also pleased with the boys team which scored in 15 or 17 events despite not possessing the depth of a team like Wahtonka.

Leading the boys team to its first district title since 1978 was Bryan Padberg and Jason Dougherty, both of whom qualified for state in two events. Both are returning to the state meet where they competed a year ago.

Padberg won both the 1,500 and 3,000-meter runs in times of 4:09.9 and 9:12.2. Padberg's 3,000 time broke his previous district meet record of 9:21.5.

Dougherty placed second in both the 110-meter high hurdles and the 300-meter intermediate hurdles. He ran the highs in a personal best of :16.1 and ran the intermediates in :43.2.

Also returning to the state meet is Wayne Wilgers who won the high jump with a leap of 6-4.

Gene Lancaster won the shot put with a throw of 46-6¾ and Jason Palmer was second in the discus with a toss of 130-10 to qualify for state.

The other boys qualifier was Ashley Conklin who placed second in the triple jump with a leap of 40-7¾.

Leading the girls was Kim Stookey who placed second in the 1,500 (5:32.5) and 3,000 (12:30.5) to earn a trip to state. Both marks were also personal bests for Stookey.

The surprise of the day for Heppner came from Michelle Beck who won the 3,000 in 12:21.5. Beck took nearly 26 seconds off her personal best and almost 40 seconds off her seasonal best to shatter the Heppner sophomore class record in the 3,000 by exactly 20 seconds.

The other girls qualifier was Dorothy Hays who placed second in the high hurdles in a personal best of :17.9.

"We had expected to have several boys qualify for state," Coach Con-

klin said, "and it's even more satisfying to have three girls qualify."

"Anytime anybody qualifies for state we're pleased but we're also pleased with other performances that were important," he added. "For instance Barney (Lindsay) figured dramatically into the team success as did the relay teams even though they placed third."

The boys 400-meter relay team of Dougherty, Conklin, Duane Ball, and Lindsay was third in a season's best time of :46.9.

The 1,600-meter relay team of Lindsay, Jim Brosnan, Dick Devin, and Dougherty were also third in 3:51.4.

Lindsay ran personal best times of :11.8 in the 100-meter dash and :24.0 in the 200-meter dash to finish third and fourth respectively.

In the long jump, Conklin was third in 19-11 and Wilgers leaped 18-9 to make the finals and just miss placing. Ball long jumped 18-3 for a personal best and just missed the finals. Ball was third in the high jump at 5-6 and threw the javelin 130-5 for sixth.

Lancaster heaved the discus 121-7 for a personal best and a fourth place finish.

Adding places were Wilgers-fourth in the triple jump in a leap of 38-5¼; Palmer-fifth in the shot put with a throw of 42-5; and Brons-sixth in the 400-meter dash with a personal best of :57.1.

In the girls high jump, Jill Conklin tied her personal best of 4-6 to place fourth and Sandi Turner jumped 4-4 to just miss placing.

Kim Sager was fifth in the 300-meter low hurdles in a personal best of :52.9, the second fastest time ever at Heppner. Sager made the finals of the 400 and just missed placing.

The sprint relay team of Turner, Conklin, Hays, and Sager also made the finals, but did not place.

Conklin made the finals of the long jump with a personal best of 14-5½ but didn't place.

The Class "A" state meet will be held on Friday and Saturday at Springfield High School. Competition will begin at 12:30 p.m. on Friday and 12 p.m. on Saturday.

The top four teams at the state meet will receive trophies and Conklin hopes his boys team will bring home a trophy. "Our chances are fair of being in the top four," he said.

The boys will be led by Padberg, the defending champ in both the 1,500 and 3,000, and holer of state's bests in both races this season.

Boys team scores were Heppner 118, Wahtonka 104, Riverside 93, Helix 68, Weston-McEwen 36, Sherman County 26, Dufur 24, Lone 16, Pilot Rock 14, Stanfield 11, Arlington 6, Umatilla 4, Condon 3, Echo and Wasco County 2, Wheeler County 0.

Girls team scores were Pilot Rock 80, Helix 59, Sherman County 49, Wasco County 45, Heppner 40, Stanfield 36, Arlington 35, Lone 29, Weston-McEwen 23, Riverside 20, Dufur 15, Echo 14, Wahtonka 11, Umatilla 8, Condon and Wheeler County 0.

Area citizens tour wildlife safari

By Delpha Jones

Friday, May 1, 22 Morrow County citizens departed by bus for a weekend trip to Roseburg. The main object was a trip to the Winston, Wildlife Safari.

The group arrived early in Roseburg where they enjoyed some shopping, and prepared for a full day Saturday. The day started at 9 a.m. at the Wildlife Safari, located in a secluded valley in southern Oregon, where over 100 species of birds and animals roam in fenced-in areas as nearly as possible like the natural habitat. The group rode the bus through the area with a tour guide, who gave a most interesting account of the park. One can usually see Yak, Eland, blackback, and Damara Zebra grazing in the fields. There are large curious ostrich, peacocks, camels, elephants, hippopotamus, Sarus crane, and many other species. One of the new attractions was the bear cage and area, where there were a black and brown bear recently brought to the area. However, one of the most interesting and beautiful animals are the Cheetah along the roads.

The Foundation has a program "Animal to you" which include shows for school children. At one time there was a Cheetah which was trained and taken to visit schools. They have the distinction of having raised one of the only Cheetahs ever raised and taken back to the wilds and let loose. On Saturday the town of Winston unveiled a statue of a Cheetah in the downtown area. This is beautiful and made of the true colors of this Cheetah.

The museum at Roseburg was visited and greatly enjoyed.
