Struthers leads Mustang golfers at District

By Ashley Conklin
 Heppner's boys golf team concluded its season on May 18 and 19 at the District 7-AA and A golf tournament with an eighth place finish

out of the eight teams participating. The Mustangs finished the two-day, 36-hole event with 941 strokes and were led by Dan Struthers. Struthers shot a first day score of 105 and then followed that up with 100 strokes for the second day. Following Struthers at district was Carl Martin who had a two-day score of 222 with 110 total strokes the first day and 112 the second. Madras won the team title with 724 strokes followed by Mac-Hi with 756 strokes. Wes White a sophomore from Mac-Hi, won his second individual district title with scores of 86 and 81 respectively for 167 total strokes. Following Struthers and Martin were Bert Cason (127-125 for 252), Will Martin (138-127 for 265), and J.J. Shaw (148-124 for 272). Heppner loses only Cason and Carl Martin for next season and returns not only Will Martin, Shaw, and Struthers, but a number of younger players who received some valuable junior varsity experience this season.

Heppner honors students, athletes, and teachers for May

By Ashley Conklin
 Heppner High School has announced its final Student, Athletes and Teacher of the Month awards for the 1986-87 school year.

The awards, which were originally set up by the high school student council are coordinated by The Hebisch, the school newspaper.

Senior Dorothy Hays was voted as Student of the Month for May by the high school faculty. Hays has been active in track, dance team, student council, cheerleading, and in Future Farmers of America. She was senior class representative and FFA president. Hays has also won a full-tuition scholarship to Blue Mountain Community College.

Sophomores Michelle Beck and Bryan Padberg were voted Athletes of the Month for May by the coaching staff. Both competed in the state track meet recently for the Heppner track

team. Beck was the district champion in the 3,000-meter run and set a new sophomore class record in that event.

Padberg was the district champion in both the 1,500 and 3,000-meter runs and was the state champ in the 3,000. He won both the 1,500 and 3,000 at state a year ago. This season Padberg also set sophomore class records in the 800, 1,500 and 3,000 and set a new all-time Class "A" sophomore record in the 1,500.

Steve Brownfield was voted on by the student council as Teacher of the Month for May. Brownfield teaches all of the biology classes and is Outdoor Club advisor. He was also an assistant football and track coach this year.

Other Students of the Month were Theresa Lindsay, Ashley Conklin, Jason Palmer, Dan Struthers, Will Welborn, Trent Harrison, and Carri Brownfield.

Athletes of the Month this year besides Beck and Padberg included Troy Hyatt, Missy Eubanks, Joe Taylor, Tina Davidson, Cindy Stroeber, Dick Devin, Wayne Wilgers and Dorothy Hays.

Other Teachers of the Month were Walter Pilgrim, Les Payne, Mike Royer, Linda Dutcher, Valery Campbell, and Terri Gentry.

4-H teens may apply for state fair staff

High school age 4-H'ers from Morrow County are eligible to apply for one of the teen staff positions at Oregon State Fair. Deadline to apply is June 15; application forms available at Extension office.

Assignment for teen staff members can be as short as one day, or as long as five days, depending on position for which they apply.

The 4-H teen staff work under the supervision of college students, Extension staff or volunteers. Responsibilities may be arranging exhibits, assisting committees, conducting livestock shows or home ec. events. Serving as a teen staff member is an excellent way to gain leadership skills as well as provide a service to 4-H, according to Birdine Tullis, Extension Program Assistant. It is also an opportunity to meet other 4-H members from all of Oregon.

Call 676-9642, Extension Service before June 15 for application forms or more information.
