1 CARD OF THANKS

A big thank you to Randy Cole for the excellent job he's done as manager of the swimming pool this year.

He, Kirsten and Ellen did such a good job instructing the lessons. My kids learned so much in 2 weeks. Thanks again.

We would like to thank friends, neighbors, and strangers who came out to help save our home and land from the July 15th fire.

Dobyns for their three trucks and crew, Morrow County Grain Growers for their 3 trucks and crews, John Boyer for taking his life and plane in risk with no insurance in case of accident, Columbia Basin Electric for being so prompt in restoring three poles and being on hand, Harvey Childers for saving our shed. I would like to thank all the men who gave me hugs. It really helped me to take things better.

Thanks to Marilyn Childers and Laurie Barrow for all the food and just being there, Betty Rietmann for her good pie and Bob for staying with us later that night, Lou Crum for all her good food and friendship.

There is a very special lady in our lives that is always there with open arms to help us. She has really helped us a lot this past year. She opened her home to our family when ours was all smoked up. We love you dearly Mom (Lucile) Rietmann.

Thank you seems so little after all you the kind people have done for us.

God Bless you all
Wayne, Vera, Eddy and Len Rietmann

GOOD NEWS - BAD NEWS !!

Scotty and Jimmy have landed in Israel! Their having trouble with Israeli Immigration. It seems that Scotty was wearing his Scottish kilt and the officials fear he is some kind of weird Arab. Since Jimmy has been traveling with him he's being held under suspicion also.

Meanwhile, back at the Red Sea, Obediah and camels are doing very well. He is making money hand over fist renting his camels to the weary but rich Jews. Obediah's former Egyptian master, whose name is Luke Farouk, has discovered the loss of his slave and camels, and was running up and down the beach yelling imprecations like, "Come back you son of a turtle!" and other obscenities. But since the Red Sea was closing behind Obediah and the group, there really wasn't much he could do. It has been recorded that Luke was one "mad son of a turtle" so until next week:
