Survey says gas prices up

Gasoline prices rose a hefty seven cents per gallon since the Fourth of July, according to the Automobile Club of Oregon Labor Day Fuel Gauge survey.

Over the Labor Day weekend, full-service cash customers will pay an average of $1 per gallon for regular gasoline, $1.05 per gallon for unleaded and $1.17 per gallon for super leaded.

Average prices at the mini-service pumps will be 90 cents per gallon for regular gasoline, 96 cents per gallon for unleaded and $1.07 per gallon for super unleaded.

Credit card customers will pay an average of six cents per gallon more. Most stations surveyed (85%) will be open during the Labor Day holiday. However, only a small number--20%--will be open 24 hours a day through the holiday period.

The Labor Day price increase marks the first time the average price has exceeded a dollar a gallon in Oregon since the Fourth of July 1986, according to the Automobile Club.

PUBLIC NOTICE

U.S. DEPARTMENT OF THE INTERIOR BUREAU OF LAND MANAGEMENT
(OR-030-07-4212-17; GP7-272)
NOTICE OF REALTY ACTION AVAILABILITY OF PERMITS (TEMPORARY AUTHORIZATIONS) FOR AGRICULTURAL USE IN TRESPASS ON PUBLIC LAND IN BAKER, GRANT, HARNEY, MALHEUR, MORROW, UMATILLA, UNION AND WALLOWA COUNTY, OREGON; ASOTIN AND GARFIELD COUNTY, WASHINGTON.

The Bureau of Land Management is accepting temporary permit applications for unauthorized agricultural use of public land in the Vale District. Permits will be issued noncompetitively under Section 302 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1732) for the same or similar use of the public land in trespass. The issuance of the permit will provide an opportunity for the users of the public land and the Bureau to resolve the unauthorized use in a manner that is fair and equitable. Significant changes in use and/or long-term leases will be considered on a case-by-case basis under Section 202 of the Federal Land Policy and Management Act.

The purpose of the temporary authorization program is to abate existing and prevent future unauthorized uses of public land on the Vale District in Oregon and Washington in a non-punitive and cost effective manner. In order to participate in BLM's agricultural trespass resolution efforts, a trespasser who applies for a temporary use permit must show that his/her use occurred prior to January 1, 1987 and that he/she acknowledges Federal ownership of the land. Permit applications must be submitted prior to December 31, 1987. Unauthorized uses discovered subsequent to that date may be subject to immediate eviction and reclamation requirements, in addition to damages and full cost recovery. Maps showing the public lands open to permit and an inventory of known agricultural trespasses is available at the Vale District Office and the Baker Resource Area Office.

Permit applications and additional information are available from the Vale District Office and the Baker Resource Area Office. There is no application fee. However, agricultural use of public land is subject to fair market rental, and the reimbursement of costs, in accordance with 43 CFR 2920.6.

For a period of 45 days from the date of publication of this notice in the FEDERAL REGISTER, interested parties may submit comments to the District Manager, Bureau of Land Management, 100 Oregon Street, Vale, Oregon 97918, or the Baker Resource Area Manager, P.O. Box 987, Baker, Oregon 97814. Objections will be reviewed by the State Director who may sustain, vacate, or modify this realty action. In the absence of any objections, this realty action will become the final determination of the Department of the Interior.
