Letters to the Editor

Navy Planes no longer fly over Boardman

To the Editor:
Rear Admiral J.M. Seely
Dept. of the Navy
Naval Air Station, Whidbey Island
Oak Harbor, Washington
98278-6000

Dear Admiral Seely:
In the past I have complained about the operation of Navy flights at the Boardman Bombing Range. You have made some changes at the range. This has improved the living environment 100% from the noise of these flights. And since the

Navy pilots no longer fly over our town, the safety of the city from air accidents is secure.

I, for one, wish to thank you for the effort you expounded to solve the problem.

The Navy does care. Congratulations for a job well done.

I hope you will also thank all of the men in your command who helped accomplish this job.

Sincerely,
(s) Bruce O. Nichols
Boardman

To the Editor:
Commander Hal Curtis
Commanding Officer
Boardman Bombing Range
Dear Commander Curtis:
It is so easy to complain about things we don't like. I have complained about the Navy operation on the bombing range at Boardman in the past.

Now it is time to give you a "thumbs up" - "Job Well Done"

and just plain thank you. The operation of your aircraft in the last few months has been great. The living environment at Boardman has improved 100%. I also feel any endangerment to the community from Navy flights has been removed.

Again, Hal, I say thank you.

Sincerely,
(s) Bruce O. Nicholes
Boardman

Encourages school spirit

To the Editor:
We, the Student Council of Heppner High School would like to see more enthusiasm within the student body. We feel if there is more school spirit and enthusiasm, it will give additional encouragement to work harder and to win.

Also, we appreciate all the support parents give and would like to encourage them to continue.

We would like to see more students participate in pep

assemblies because the teams need to know they are backed one hundred percent. Student council is putting on the first pep assembly September 11. We want to encourage the student body to have school spirit in a manner that will earn our school respect throughout the district and the state. We want our team to be winners in spirit and athletics.
