

### Chamber Chatter

By Claudia Hughes, Chamber Manager

While purging my files, I came across entries submitted for our Heppner Motto Contest held last winter. Attached to one entry by Mildred Padberg was the following verse about a little town. I want to share it with you.

"Little Town"  
I like to live in a little town where the trees meet across the street, where you wave your hand to say "hello" to everyone you meet. I like to stand for a moment outside the grocery store and listen to the friendly gossip of the folks that live next door.

For life is interwoven with the friends we learn to know, and we bear their joys and sorrows as we daily come and go.

So, I like to live in a little town; I care no more to roam.

For every house in this little town of Heppner is more than a house, it's a home.

It's a wonderful poem. Because Heppner is home to so many and they want to live out their life here, we all must do our best to support our community, to help it grow, and to explore all avenues for finding a doctor to come here on a permanent basis. There have to be doctors in this country who would understand and love Heppner's way of life, who want to make Heppner their home. The search is on and the committee is hard at work.

Chamber program September 15 will be Tom Hampson, BMCC Small Business Development, accompanied by the new program coordinator. They will be sharing new program offerings for the coming year. See you Tuesday.
