Heppner Chapter of Soroptimist International will have a busy year under new President Molly Rill. "We are going to keep up on our service projects, but we are also going to have a fun year," Rill said. Last year a fund was started, under president Ann Spicer, to

develop the City and Hager Park in Heppner. Construction of a gazebo is one possibility. A scholarship for continuing education for an adult woman was also started. These activities will be continued.

Also the club will sponsor a style show in November, join the Lions Club in a December fruit sale, and take part in the St. Patrick's Day

celebration. Sales will be held at a flea market and Artifactory to raise funds for the many projects and service donations assisted throughout the year. Pie and food sales will be held on special dates.

Members also attend, and the club pays for expenses, at district,

regional, national meetings and conventions throughout the year. One member, Mary Goheen, has attended two international meetings.

Three meetings are held each month, on the first three Thursdays, with lunch at the Elks Club. Interesting programs have already been lined up for the year. Marcia Kearney, district ranger with the Ukiah/Dale District of the U.S. Forest, will speak September 17. Claudia Hughes, Chamber Manager, will speak on October 8; Jan Strober, beautician, will present a demonstration October 15. November 12 the club will hold a White Elephant sale and study organizational leadership; November 19, Pat Wright, County nurse, will give a program. In December club member Marlene Gray will present a program, and grade school youngsters from Heppner will present their choral group singing Christmas songs, an annual event and one of the highlights each year. In January Jeff Manley, county mental health director, will speak January 10. Randall Peterson will talk on Jewels January 21.

The first Thursday of each month is a business meeting. Other officials who will serve in the year will be LoRayne Bowman, first vice president; Pat Hyatt, second vice president; Cindee Henderson, recording secretary; Joyce Hughes, corresponding secretary; Judie Laughlin, treasurer; Jackie Allstott, regional delegate with Barbara Bloodworth as alternate; Margo Sherer and Marianne Kahl as board members.
