Jim's found his ancestral link! It seems that one of the secretaries in the Israeli Genealogical Society office upon hearing the name Farley, felt she had read something concerning that name and after checking several sources it seemed that a couple of years ago a wandering goat-herder accidentally discovered some lost scrolls in a cave and sold them at a bazaar to an old book buyer who in turn took them to the Genealogy Office. They verified Obediah's Odyssey through the scrolls and the connection was made with the Farleystein's.

Mogan and Mike are overjoyed to find that they have a relative in the United States therefore Jimmy is being treated like a king with a condominium in Club Med, a Lear Jet at his disposal, and a chauffeured Rolls Roice. Plus after hearing of Jimmy's trials over the last several months, Mogan and Mike Farleystein made Jimmy an enormous loan, interest-free, with no payment for 2,000 years. So now Jimmy is REALLY ready to wheel and deal! It's almost a case of name your own price!
