Free financial aid planning calendar available

Students in need of funding for the current and next academic terms are urged to order a free financial aid planning calendar from the Scholarship Bank. This vital planner includes critical aid deadlines, addresses and phone numbers of aid sources and tips on applying for aid.

According to the director, Steve Danz, over 500 million dollars is available in private aid to college students and in many cases can cover up to twenty-five percent of a student's annual college costs.

The Scholarship Bank works with financial aids offices throughout the US to distribute information on the over 5,000 sources. Interested

students may receive a computer-generated print-out of up to 65 sources of private financial aid that they appear specifically qualified to receive. According to the director, many sources are renewable annually and have an average value in excess of \$1,000.00.

Students interested in receiving the free aid calendar and information on the scholarship programs should send a stamped, business-sized self-addressed envelope to The Scholarship Bank, 4626 N. Grand, Covina, CA 91724.
