New book at Ione public library

LT: Living on the Edge by Lawrence Taylor with David Falkner, Copyright, 1987, by Lawrence Taylor and David Falkner and Book review by Jeri McElligott.

LT: Living on the Edge is Lawrence Taylor's autobiography of life as a superstar on and off the football field. The book traces Taylor's wild life through high school, college and finally to the pros. Taylor tells of his role in New York's successful 1986 season and the Giant's 1987 Superbowl victory.

The most engaging part of the book is Taylor's account of how he became addicted to drugs and finally overcame his problem by tackling it head on. He handled drug addiction like he did everything else; his way. Despite being highly controversial, we learn that Taylor is never as hard on others as he is on himself.
