MICROWAVE TIPS

**Sure-Bet Snacks for
TV Sports Watching**

'Tis the season for football... and watching your favorite team on TV usually calls for a timeout for snacks. That's where your microwave oven and these easy snack ideas from the Kraft Kitchens can provide quick appetite pleasers. Try favorites like chicken nuggets, French fries, mini franks, fresh fruit and veggies as dippers with a hot from the microwave instant cheese sauce. Ready in minutes and served on colorful platters, these easy snacks are great pass-around, pick-up food to enjoy during the game.

Remember the Basics

Amount: As the amount of food increases, so does the microwaving time.

Temperature: The colder the food, the longer it takes to cook. So room temperature foods cook faster than frozen ones.

Density: Small, thin, uniform shapes cook faster, more evenly than large, dense pieces.

Easy Cheese Sauce

Spruce up snacks with microwaveable Cheez Whiz process cheese spread, regular or Mexican (mild, hot or jalapeño). Its ready-to-heat-and-pour glass jar keeps preparation time to a minimum. Remember to use a hot pad when removing the jar from the oven.

Cheezy Fries

Everybody's favorite - French fries - get an extra flavor boost South of the Border style. Microwave frozen microwaveable French fries according to package directions. Microwave Cheez Whiz Mexican process cheese spread according to label directions; pour over potatoes.
