

WHY THE LACK OF COMMUNITY SUPPORT?

Last week we ran an ad asking for people to donate items for a fund raising auction. Proceeds from the auction are to be used to help to finance the St. Patrick's Day weekend celebration and activities.

So far we have only received a couple of items locally. We have some items donated by celebrities but that will only comprise a small part of the auction.

To support a good cause, look around the house, in the garage, in the attic, in the basement, the closet and see what you might find. It can be something new, something used, something big or something small; an antique or a unique, a collectible or memorabilia.

We would like to have all items by March 14 so we can prepare an auction list for distribution. Please contact one of the following people and we will gladly see that your donated item is picked up. Thanks for your support.
