--The 4th of July Celebration still needs a commitment for a clean-up committee on parade day. How about the lone students organizing and getting involved in this project? Younger kids could police litter in the park, and older kids help out after the days events, and the following day. --Unfortunately...some kids have been ruining the newly planted flowers in the lone City Park, library grounds, and also knocking down the brick wall in the flower bed on Main Street.

We're asking that parents read this column to their kids, and impress upon them the need for community pride. Jim Rudisill has done so much work, and it's discouraging to see it all ruined. So please kids, appreciate his efforts to make the town look nice for our summer activities. If you see anyone doing damage report them to Jim, or leave a message at Oregon Trail or Bristow's Market. Oregon Trail and Jim would like to extend thanks to Justin, Myrna Johnson's grandson for his efforts as our new wall and flower guard. We appreciate your help, Justin.
