

Ball receives award medallion Chamber members move planters

Duane Ball, a student at Heppner High School, has received the United States Army Reserve National Scholar/Athlete Award. Ball was presented with the Scholar/Athlete Award Medallion, engraved with his name on May 28 by Staff Sergeant Kem Loucks of the U.S. Army Recruiting Station in

Pendleton. Ball shares this honor with winners in high schools throughout the country, from Florida to Hawaii. Each year the Army Reserve sponsors the program to recognize and honor top male and female high school scholars and athletes across the nation.

Forrie Burkenbine directs moving of Main Street planters.

Forrie Burkenbine, Dave Sykes, Skip Matthews, Bob Kahl and Fred Lundin exercised their superman powers while moving planters in front of adoptive businesses.

Van Marter and Kahl Insurance, Murray Drug, Ben Franklin Savings and Loan, Bank of Eastern Oregon, Shoe Box, Cal's Restaurant, Sears, and Central Market have all signed an "Adopt a Planter" contract. This involves watering with a gallon of water daily and removing dead blossoms. Chamber is responsible for providing the planters, the soil, and securing the contract. Heppner Garden Club plants, fertilizes and maintains the planters.

This is a joint community venture and like all successful beautification projects, requires cooperation of

many. Other businesses requesting planters are Dr. Rolan, Heppner Gazette, Heppner T.V. and Coast to Coast. Kinzua has agreed to donate lumber for additional planters. The search is on for volunteers to build them. Chamber hopes to have them in place before Fair and Rodeo weekend.
